## Themes and Activities

**Theme:** Spring  
**Letter:** W w  
**Shape:** Square  
**Color:** Red

**Religion:**  
We celebrated the Feast of the Annunciation on March 25th. We role played the archangel Gabriel coming to Mary and announcing the birth of Christ to her and Mary's Yes to God's plan. Also, we listened to Jesus's parable of the Prodigal Son. We learned that God is our Father and is always ready to forgive us when we turn to Him. Finally, we studied St. Gianna Molla, a favorite saint of mine. She was a wife, mother, and doctor.

**Math:**  
Back to shapes! We sorted shapes by their attributes and made our own creations with geo shapes. During centers, we focused on counting on from any given number and measuring the weight of small manipulatives with balance scales.

**Literacy:**  
We learned the letter W and the sound it makes! Our stories revolved around Springtime, as well as our art projects! We read "It's Spring!," "What does it mean to be kind?," "Little Bunny's Noisy Friends," "The Pout-Pout Fish" and "Spring Stinks!".
