

# K4 Weekly Newsletter

## Themes and Activities

**Theme:** Plants  
**Letter:** Z  
**Shape:** Rhombus  
**Color:** Orange

**Religion:**  
We learned that we are surrounded by God's love and can think of it as our Circle of Grace. We talked about what kinds of things belong in our circle and things that do not. Additionally, each child thought of some trusted adults in his/her life and we talked about how to ask a trusted adult for help.

**Science:** We studied the parts of a plant: roots, stem, leaves, flower/petals, and seed. Every grade is growing plants to put in our school garden in May! We planted peas and cucumbers.

**Math:**  
We continued our practice with addition using a variety of manipulatives. We measured different items with strings and built towers that matched the length of our strings.

**Literacy:**  
We learned the letter Z and the sound it makes. We read, "All About Seeds," "Growing Vegetable Soup," "The Surprise Garden" and "In our Garden."

## Announcements and Dates to Remember

Happy Friday! If you need to contact me, my email is [mwoytych@sje.school](mailto:mwoytych@sje.school).
