

K4 Weekly Newsletter

Themes and Activities

Theme: Author: Mo Willems

Letter: X x

Shape: Rectangle

Color: Yellow

Religion:

This week was all about Holy Week and preparing for Easter. Students made Holy Week mini-books and we talked about Jesus's sacrifice for us in order to open the gates of heaven for us. Today we participated in school-wide activities to grow in our understanding of the Last Supper and God's Divine Mercy. We prayed the Chaplet of Divine Mercy as a school.

Math:

In math centers, we continued exploring different measurement tools. Each student played with a balance scale and weighed different items to find out what was heavier. Also, students played a new shape game called, "I have, who has?" to practice identifying and repeating shape names.

Literacy:

We learned the letter X and the sound it makes! We came up with words with X in them. Mo Willems is a wonderful author. We read many Pigeon and Piggie and Gerald stories over the course of the week.

Announcements and Dates to Remember

Thank you for supporting our Lenten service project with all your donations this Lent! It is greatly appreciated. If you need to contact me, my email is mwoytych@sje.school.
