Themes and Activities

Theme: Outer Space

Religion: We reviewed all the saints that we learned about this year! We also reviewed that prayer is a conversation with God and how to pray.

Math:
We reviewed 2D shapes, skip counting by 10, and putting numbers 1-20 in order.

Extra Fun: We planted our pea and cucumber plants in the school garden! We have been counting down till the last day of school with special activities everyday. We played with bubbles, the parachute, and had a class dance party! We also visited the Spanish Alien fashion show, 1st grade animal presentations, and the 4th grade wax museum :) 

Literacy:

Students reviewed all the letters and their sounds. We sang the alphabet with only the sounds and played alphabet bingo.

We read books about Outer Space and some books just for fun. We read "Planets", "Our Solar System", "Fly Guy Presents Space," and "The Sun is Kind of a Big Deal."
