

K4 Weekly Newsletter

Themes and Activities

Theme: Outer Space cont.

Religion: We reviewed the different titles/names for Jesus! The Son of God, King of kings, the Good Shepherd, and Our Redeemer. We reviewed that to get to know God, we need to spend time with God. We can do that this Summer through prayer and going to mass.

Math:
We practiced simple addition problems!

Extra Fun: We played with shaving cream (which also cleaned our tables ;), gave out class awards, and of course, sang in the Summer Send-off Concert!

Literacy:

Students reviewed all the letters and their sounds. We played a game where students had to tell me the beginning and ending sound of a word in order to make a turtle move!

We read books about Outer Space and some books just for fun. We read "Papa, Please Get me the Moon," "Goodnight Moon," and "I'm not Scared, You're Scared."

Announcements and Dates to Remember
