

7th Grade WEEKLY Newsletter

literacy

We finished reading *Ghost* as a class, and students began working on their final projects for our realistic fiction unit. Students are applying what they've learned about point of view, setting, character traits, conflict, and citing textual evidence to their own novels.

art

Students returned their attention to their Paper Chain Pixel Art. I am hoping to have them displayed at conferences. Fingers crossed!

FYI

**Students need PE clothes on Mondays and Tuesdays.

WEEK OF:
October 5-9

Teacher note

Hopefully the students gave you a favorable report about our Catholic Schools Walk on Wednesday; we had beautiful weather! We also visited our school garden twice this week to harvest crops and water. I look forward to meeting with you for conferences next Thursday!
