DIRECTOR'S CORNER

Jimmy Scott
FCA Area Director

Firstly, let me begin by giving ALL Praise and Glory to our Lord and Savior, Jesus Christ, for our successful launch of Phase 1 of FCA 2025-26 school year operations into the county.

Through his grace and FCA programming, 170 students accepted Christ as their Lord and Savior. Without him none of this impactful work would be possible.

Secondly, I would like to thank everyone who gave contributions and/or prayer to the work that the Lord has assigned us of bringing transformation to the lives of our students, schools, families and communities. We are so very grateful to you and thankful for you. We have truly begun a wonderful foundation of "FCA FAMILY"...

As we prayerfully move into Phase 2 of FCA operations for the 2026-27 school year, our passion, determination, heart and prayer to bring transformational change to our community rises to next levels.

Although we have a long way to go to complete the buildout of operations (end goal of assisting over 60,000 families), with God's light to the path, his grace, prayer and the continued contributions of you the community...

Individual and Team Character Coaches Needed:

Character Coaches serve school coaches and athletes on a team to advance Transformational Character Development through values-based leadership and coaching.

FCA character coaches work with the head coach to determine their involvement with the team. FCA has many volunteers that serve in this capacity on local teams. This is a avenue to really impact the lives of student-athletes!

If interested in becoming an FCA Character Coach please email: jimmyscott@fca.org for more details.
