

**BOB WHITE**  
QUALITY FEED

# 12% Horse Pellet

A balanced, high-fiber pelleted feed designed  
for all ages of horses and activity levels

**KEY INGREDIENTS:** Midds, Soy Hulls, Alfalfa Meal, Distiller Grains, Molasses,  
and Other Vitamins and Minerals

## Features & Benefits:

- Promotes a healthy gut and steady digestion
- Pelleted form for easy digestion and chewing
- Convenient for senior or dental challenged horses by soaking into a soft mash for easier consumption and better hydration
- Contains a high level of forage and roughage products, but it is still recommended to be offered with hay

## Feeding Directions:

Feed according to body condition and the desired finish, taking in consideration the amount of exercise the horse is getting. In order to maintain proper digestive function and to minimize cribbing due to boredom, it is best to feed 4 to 5 times per day. Feed 1.5 to 3 lbs per 100 lbs of body weight. Hay can and should be fed with this feed. Monitor body condition relative to the exercise level and age. Feed along with free choice mineral (12% Mineral), salt, and clean fresh water.

## GUARANTEED ANALYSIS:

|                    |             |               |
|--------------------|-------------|---------------|
| Crude Protein      | ..... (Min) | 12.0%         |
| Crude Fat          | ..... (Min) | 3.6%          |
