

BOB WHITE
QUALITY FEED

16% Dairy Tex

A high-quality, textured feed designed to support milk production and overall body condition in all classes of dairy cattle

KEY INGREDIENTS: Cracked Corn, 28.5% Mixer Pellet, Oats, Molasses

Features & Benefits:

- Texture formula to encourage consistent intake and reduces feed sorting
- Contains all-natural form of plant protein sources
- Fortified with vitamins and minerals for immune strength and reproductive performance

Feeding Directions: Feeding rate will be dependent upon body condition, stage of production, level of production, animal health, and the quality and amount of other feeds and/or forages being fed. Feed according to body condition with good quality forages. The amount of grain fed per head should never exceed the amount of forage fed per head along with clean, fresh water.
