

BOB WHITE
QUALITY FEED

16% Hi Pro Horse Feed

A premium textured blend formulated for all ages and activity levels, especially ideal for growing horses, broodmares in late gestation or lactation, and high performance horses

KEY INGREDIENTS: 28.5% Mixer Pellet, Cracked Corn, Oats, Molasses

Features & Benefits:

- Supports muscle growth, tissue repair, and healthy development in young and working horses
- Provides the fuel needed for training, competition, and lactation
- Fortified with vitamins and minerals to ensure complete nutrition and helps maintain strong bones, hooves, and immune function
- Textured feed with quality ingredients increases palatability and encourages consistent feed intake

Feeding Directions:

Feeding rate will depend on body condition, stage of life, intensity of work, animal health, and the quality and amount of other feeds and/or forages provided. Feed 4-14 lbs per head per day, along with fresh, clean water.

For more specific feeding directions, refer to the feed tag.
