

BOB WHITE
QUALITY FEED

16% Lamb Grower Pellet

Developed to promote steady growth and development, this balanced pelleted feed helps young lambs smoothly transition off starter feed

KEY INGREDIENTS: Fine Ground Corn, Midds, Soybean Meal, Alfalfa Meal, Soybean Hulls

Features & Benefits:

- Supports steady growth, strong frame development, and healthy rumen function
- Contains Bovatec® to enhance feed efficiency and promote optimal gut health
- Pelleted form to help reduce sorting and minimize feed waste for better feed efficiency
- Fortified with essential vitamins and minerals to promote a strong immune function and overall health in growing lambs

Feeding Directions:

Feed a minimum of 1.0 lb per head per day, and not more than 4.6 lbs per head per day. Feed with good quality forage, and plenty of clean fresh water.
