

BOB WHITE
QUALITY FEED

17% Pullet Developer

A high-quality pellet feed formulated to support the growth and development of strong, healthy replacement pullets, preparing them for a smooth transition to laying feed

Benefits & Features:

- All-natural and unmedicated making it suitable for all flocks
- Fortified with vitamins and minerals to support development and overall health
- Pellet form to reduce waste and encourage intake

Feeding Directions: Feed as the sole ration from week 7 through week 12 along with plenty of clean fresh water.
