

BOB WHITE
QUALITY FEED

20% Lamb Starter Pellet

A high-protein, nutrient dense pelleted feed formulated to support early growth and development in young lambs

KEY INGREDIENTS: Fine Ground Corn, Midds, Soybean Meal, Alfalfa Meal, Linseed Meal

Features & Benefits:

- Promotes muscle development and strong bone growth
- Encourages early rumen development for steady, healthy gains
- Pelleted form to ensure consistent intake and minimize feed waste
- Ideal for post-weaning and early growth stages to establish long-term performance
- Contains Bovatec™ to enhance feed efficiency and support rumen health.

Feeding Directions:

Feed a minimum of 0.33 lb per head per day, and not more than 1.52 lbs per head per day. Feed with good quality forage, and plenty of clean fresh water.
