

BOB WHITE
QUALITY FEED

M-18 Pig Grower

Designed to meet the evolving nutritional needs of growing pigs, with the ideal balance of protein and energy to promote healthy growth and prepare pigs for the next stage of production

Features & Benefits:

- Designed to enhance nutrient utilization and feed efficiency
- Palatable mash texture makes it easily digestible for better gut health
- Encourages lean muscle growth and promotes healthy weight gain
- Bridges the gap between starter and finisher feed for uniform growth

Feeding Directions:

Feed as a complete ration for pigs weighing 50-150 pounds. Offer plenty of fresh, clean water at all times, and feed 4-5% of their body weight per head per day.

GUARANTEED ANALYSIS:
