

BOB WHITE
QUALITY FEED

Turkey Starter

A high-protein medicated crumble formulated to meet the demanding needs of fast-growing turkeys, providing them with the strongest start possible

Benefits & Features:

- Supports muscle growth and frame development
- Helps promote gut health and proper nutrient absorption
- Medicated to aid in the prevention of coccidiosis
- Crumble form to make it easy for young birds to consume, and encouraging consistent feed intake

Feeding Directions:

Feed continuously as the sole ration to turkeys for the first 5-8 weeks in age then switch to the Turkey Grower/Finisher Pellet. Always provide fresh clean water.

GUARANTEED ANALYSIS:

Medicated: As an aid in prevention of coccidiosis where immunity to coccidiosis is not desired.
