

## ***Pest Control Service Preparation Guide***

Thank you for choosing our pest control services.

To ensure the best possible results and to maintain warranty periods, we kindly request that all properties are **clean and tidy before we attend**.

Please carefully read the preparation instructions and vacate times below relevant to your service.

---

### **Bed Bug Treatments**

- Hot wash and dry all sheets and bed covers at **60°C for at least 30 minutes**.
- Empty all cupboards and drawers, and wash clothing items that could be infested.
- Tidy rooms and put away belongings – the clearer the space, the more effective the treatment.
- Vacate the property during treatment and remain out for **4 hours after completion** to allow the treatment to fully settle and dry.

### **Important Reminder**

Following these preparation steps helps us carry out the treatment safely and effectively.

Your cooperation ensures the best results and protection for your property.

Thank you for your understanding and for helping us deliver a quality service.
