

Pest Control Service Preparation Guide

Thank you for choosing our pest control services.

To ensure the best possible results and to maintain warranty periods, we kindly request that all properties are **clean and tidy before we attend**.

Please carefully read the preparation instructions and vacate times below relevant to your service.

General Pest, Ant, or Spray Treatments

- Clean up and tidy away belongings. The cleaner the space, the better the service.
- Move all items away from walls where possible (inform us if this is not possible, and we will work around).
- Store or seal away all food items and hygiene products (e.g., toothbrushes).
- Remove pets from all treatment areas.
- Cover or remove pet food and water bowls, fish tanks, bird cages, or similar items.
- Vacate the property during treatment and remain out for **2 hours after completion**.

Important Reminder

Following these preparation steps helps us carry out the treatment safely and effectively.

Your cooperation ensures the best results and protection for your property.

Thank you for your understanding and for helping us deliver a quality service.
