

Pest Control Service Preparation Guide

Thank you for choosing our pest control services.

To ensure the best possible results and to maintain warranty periods, we kindly request that all properties are **clean and tidy before we attend**.

Please carefully read the preparation instructions and vacate times below relevant to your service.

Mite and Flea Treatments

- Ensure all pets are treated for mites or fleas before the technician arrives.
- Clean and tidy the property prior to treatment.
- Vacate the property during treatment and remain out for **2 hours after completion** (for internal treatments only).

Important Reminder

Following these preparation steps helps us carry out the treatment safely and effectively.

Your cooperation ensures the best results and protection for your property.

Thank you for your understanding and for helping us deliver a quality service.
