

Pest Control Service Preparation Guide

Thank you for choosing our pest control services.
To ensure the best possible results and to maintain warranty periods, we kindly request that all properties are **clean and tidy before we attend**.

Please carefully read the preparation instructions and vacate times below relevant to your service.

Rodent Treatments

- Ensure we can access all areas (including roof spaces) for inspection.
- Remove or store away any open food sources.
- Clean up rubbish and debris both inside and outside the property.
- Ensure pets and children are kept away from bait stations.
(Technicians will place bait in secure, hard-to-access areas).

Important Reminder

Following these preparation steps helps us carry out the treatment safely and effectively.

Your cooperation ensures the best results and protection for your property.

Thank you for your understanding and for helping us deliver a quality service.
