St. Edmond parish has adopted the following procedures in caring for your child when he/she becomes sick or injured at Religious Education class. In case of emergency and/or need of medical or hospital care:

- 1. The DRE/Catechist will call the home.
- 2. If there is no answer, the DRE/Catechist will call the cell phone or emergency phone number listed.
- 3. If none of the above answer, the DRE/Catechist will call an ambulance, if necessary, to transport the child to a local medical facility.
- 4. Based upon the medical judgment of the attending physician, the child may be admitted to a local medical facility.
- 5. The DRE/Catechist will continue to call the parents, guardians or physician until one is reached.

If I cannot be reached and the DRE/Catechist/Youth Minister has followed the procedure described above, I agree to assume all expenses for moving and medically treating this student. I also consent to any treatment, surgery, diagnostic procedures or the administration of anesthesia which may be carried out based on the medical judgment of the attending physician.
