Flathead Valley Ski Education Foundation

At FVSEF our mission is to promote athletic and personal excellence and discipline through educational and competitive programs in skiing and ski racing. For over five decades we have been connecting families to the culture and principles of the skiing generations that preceded us, instilling a lifelong love of skiing, finding joy in the mountains and snow, and in the mastery of the sport. FVSEF participants become better skiers, better students and better citizens - for life!

Thank you for considering supporting FVSEF and investing in the future of our athletes. Your sponsorship will directly contribute to ensuring that talented athletes are provided with opportunities to thrive. Together, we can make a lasting impact on the future of sports and youth development in the Flathead Valley.

Regards,
Hilary Lindh, Executive Director
Tori Marcial, Development Committee Chair

Podium Sponsorship

FVSEF Sponsors are partners who support FVSEF's programs and athletes while receiving fantastic benefits and access to an audience of both our program and event participants. All Podium Sponsors are recognized on the FVSEF's website, social media platforms, and at least one newsletter. Multi-year commitments are only required at some levels but are encouraged at all. Sponsor details and commitment must be solidified by November 1 each season to maximize benefits offered.

Gold Level (\$10,000 annually for 2-4 years) is a fantastic option for partners who want to demonstrate overarching support of FVSEF's programs, competitions, and events. Sponsor logos are displayed on team jackets (freeride and race), both freeride and race team vans, and on a 3'x5' banner at the team room. The sponsor also receives an 8-top table at Showcase of the Chefs; mention and logo display at all fundraisers; mention and logo displayed at all home competitions (freeride and race)

Silver Level (\$5,000 annually for 2-4 years) is an excellent option for partners interested in committing to FVSEF for multiple years while accessing visibility across our programs. Silver Level Sponsors will have their logo displayed on either one van (freeride or race) OR on one set of team jackets (freeride or race), and on a 3'x5' banner displayed at the team room. Additionally they receive 4 tickets to Showcase of the Chefs; company logo is mentioned and displayed at fundraisers and at home competitions.

Bronze Level (\$2500) is the perfect fit for partners who are not sure they want to commit to a multi-year sponsorship but are eager to support FVSEF. Bronze Level Sponsors may select to have their logo displayed on a) one of the team vans or b) one of the team jackets (freeride or race) or c) on a 2'x3' banner at the team room. Their logo will also be mentioned and displayed at all fundraisers and home competitions.

Affiliate Level Sponsorship (\$1250) is a great entry-level option for a partner who is not able to commit to a multi-year sponsorship but is eager to be involved with some aspects of FVSEF. Affiliate Sponsors will have their logo displayed on a 2'x3' banner at the team room and be mentioned at all FVSEF fundraisers.

Event Sponsorship (\$500/event) is a good option for partners who want to focus on supporting FVSEF at a specific event such as Showcase of the Chefs or a freeride competition, for example. The \$500 may be contributed through donation of goods or services in-kind, if desired.
