

Our clinic is an approved Out-of-Network provider for Anthem Blue Cross insurance.

Your options are as follows:

1. You may pay out of pocket for your visit at a discounted rate than we would charge your insurance.

A receipt will be provided to you for submission to your insurance for reimbursement.

As a courtesy, we can also submit the super bill to your insurance for you, to make your reimbursement easier.

2. Check with your insurance for out-of-network insurance coverage. We are approved out-of-network providers for medical and mental healthcare in California.

3. Seek care from an in-network provider.

Please let us know how we can help!
