Feeds 55 to 65 people

\$1,125

Full Circle Winery grazing tables are the perfect centerpiece to any occasion; your custom table will make any event truly memorable!

We have two options for our grazing tables:

1. INTEGRATED - We prepare a two-tier flat lay grazing table on your chosen surface (i.e. a kitchen counter, a dining room table, etc.) arranged on top of wax coated paper that will protect any surface you choose to showcase the table on.
2. STANDALONE - We bring in a 6ft, two tier standalone table to be placed where needed. For standalone grazing tables, there is an additional tear-down fee of \$75.

Your guests will enjoy a premium selection of assorted gourmet cheeses, cured meats, seasonal fresh fruits and vegetables, artisanal dips, dried fruits, gourmet chocolates, nuts, olives, pickled items, fresh breads and assorted crackers.

All Full Circle Winery Grazing Tables include eco-friendly plates, cutlery and serving utensils.

Complementary local* delivery and set-up for all Full Circle Winery Grazing Tables is included. We will arrive two hours prior to the start of your event to create your table and leave everything picture perfect, ready to enjoy. Someone must be on-site at the event location to receive this set-up.
