

Your Partner for Premium Quality Bulk Supply Building Materials - at Affordable Pricing - Delivered Right

General Supply Focus

From nails and fasteners to roofing protection and weather barriers, Midwest Supply & Distribution is expanding its product line to cover the full range of construction essentials.

We're committed to growing alongside our customers - offering what you need, when you need it, in bulk.

Our Products

FRAMER'S CHOICE NAILS

Engineered for strength and consistency, Framer's Choice™ nails are trusted by professionals who need dependable fastening solutions.

Available in bulk, packaged for efficiency, and designed to perform in all conditions.

MIDWEST SYNTHETIC ROOF UNDERLAYMENT

A dependable barrier that offers lasting protection against water, wind and weather.

Available in standard or premium grades, designed to meet the needs of large-scale roofing projects.

MIDWEST HOUSE WRAP

Protect your builds from moisture and drafts with our durable house wrap solutions.

Custom options available - add your company's logo for an elevated, professional finish.

FRAMER'S CHOICE CONSTRUCTION SCREWS & FRAME LOK SCREWS

Engineered for strength and consistency, Framer's Choice™ screws are trusted by professionals who need dependable fastening solutions. Available in bulk, packaged for efficiency, and designed to perform in all conditions.

Why Choose Us?

- Bulk Supply Discounts - Designed for large distributors and high-volume buyers.
- Custom Branding - Put your company's name on your house wrap.
- Proven Quality - Products built for performance and reliability.
- Industry Knowledge - Founded by construction professionals, for construction professionals.
- Efficient Ordering - Container-based shipments for maximum value.
