Your Support Makes All The Difference

Kids' Chance of Oregon provides scholarships to students whose families have been impacted by workplace injuries or fatalities.

Behind every scholarship is a student working toward their future. Behind every student is a community that believes in them.

We need dedicated volunteers to help sustain and grow this impact across Oregon.

WHY VOLUNTEER

- Support students whose families have experienced workplace injury
- Help remove financial barriers to education
- Contribute your expertise to strengthen a local nonprofit
- Be part of a mission focused on opportunity after hardship
