	The minutes were approved and recorded as a true and accurate record of the meeting.	
25/09-006	Planning Applications	
A	<p><u>Planning Applications</u> See attached Appendix B –July/ August/ September 2025 Planning List with full commentary.</p> <p>JB advised Councillors had met on 4 August to review planning applications and comments had been submitted to R&BBC under Scheme of Delegation. Councillors noted and approved these having agreed to respond to 3 planning applications with 1 support, 1 no observation and 1 objection.</p> <p>The Councillors also met on 1 September, where 5 Councillors were in attendance. A resident had attended the surgery regarding 25/001354/PIP.</p> <p>Councillors agreed to respond to 6 planning applications with 4 no observation, 1 no objection with comment and 1 object. A vehicle licence application was also reviewed with comment.</p> <p>Councillors agreed for CM to write to R&BBC regarding the situation for the reinstatement of the barn on land for 25/01354/PIP.</p> <p>Councillors thanked JB for his preparation and time in responding to 25/01354/PIP.</p>	
B	<p><u>Planning decisions made by R&BBC</u> Refer to Sheets 378 August 2025, There were 19 planning applications:</p> <ul style="list-style-type: none"> 5 Approved 1 Approved with conditions 1 Refused 1 withdrawn 1 appeal lodged 	
C	<p><u>Crosswinds</u> At the court hearing on 21/7/25 the Judge granted an interim injunction order. The specific wording of this order is subject to courts issue of that order and a supplementary application made by Surrey County Council during those proceedings to clarify the wording. A stamped/sealed copy of</p>	

	<p>that Order from the Court can be viewed Planning news and developments - Surrey County Council.</p> <p>The interim order, unless stated otherwise, will remain in effect until the matter progresses towards a final judgement, which in turn could be followed by the Court granting a final order. The interim order will only seek to prohibit the relevant activities during its period of effect, so as to maintain a 'status quo' of sorts. Only at a final order would any remedial/removal works be mandated. The date for the next hearing at the Guildford county court is 29/9/25 at 12pm</p> <p>Councillors noted and approved the submission for representation from the Parish Council. Councillors also noted that there is still a digger with ongoing activity on the site and CM was asked to find out if the digger could be impounded as part of the court process</p>	
D	<p><u>Redhill Aerodrome</u></p> <p>Standing Orders were suspended.</p> <p>CB advised that the advert for the RACC Chair had been included in the Voluntary Action Southeast (VASE) website. She had not heard if there had been any applicants.</p> <p>Standing Orders were resumed.</p> <p>JB was asked to share the advert with interested candidates. CM would share the link</p>	
E	<p><u>Route 4</u></p> <p>Andy Sinclair had provided an update on Route 4 advising the in-progress Route 4 standard instrument departure airspace change is the only way they can influence where aircraft fly. This will eventually result in the introduction of a new satellite-based route. LGW are planning to start a Route 4 public consultation in Q1 2026, subject to endorsement by the CAA.</p> <p>Councillors agreed to better understand why LGW weren't challenging to poor performers (26% non-compliance) prior to this consultation. It was not clear why LGW cannot influence airlines, and it was noted there's no such discrepancies in any of the other routes.</p> <p>It was agreed CM would write to Andy Sinclair asking whether the 74% which are compliant with Route 4 are actually flying a set of satellite coordinates which could be given to the 26% which can't work these out. It was also to understand if it is the same airline(s) that are non-compliant and to ask why can't the CAA require the poor performers to review these?</p> <p>Action</p> <ul style="list-style-type: none"> ▪ CM to submit planning comments to R&BBC ▪ CM to ask SCC if equipment on Crosswinds site can be impounded as part of court case ▪ CM to share VASE advert for RACC Chair with JB ▪ JB to contact interested candidates for RACC Chair to apply via VASE ▪ CM to write to Andy Sinclair at LGW re Route 4 and non-compliance 	<p>CM</p> <p>CM</p> <p>CM</p> <p>JB</p> <p>CM</p>

25/09-008	R&BBC Community Governance review consultation	
	<p>Reigate & Banstead Borough Council (R&BBC) has started a Community Governance Review (CGR) to consider local governance arrangements throughout the Borough. This is a legal process that gives residents and organisations an opportunity to share their views on the most suitable ways of representing local people at a community level. Parish/ Town Councils can play an important role in terms of empowering communities and R&BBC want to ensure that parish governance within the area continues to be robust, representative and is able to meet new challenges, such as the new unitary authorities. The aim of the review is to bring about:</p> <ul style="list-style-type: none"> improved and stronger community engagement more cohesive communities better local democracy more effective and convenient delivery of local services ensuring residents across the respective areas are treated equally and fairly <p>Parish Councillors discussed and debated the consultation and suspended Standing Orders to enable CB and SW to provide input.</p>	

	<p>Councillors believe it is imperative that residents and businesses should have a local voice and be represented under the new unitary authority and as such are open to explore options with R&BBC to make sure this continues to happen.</p> <p>It was noted that R&BBC were unable to share consultation responses until the end of the consultation on 18/9/25. At that time R&BBC and S&SPC would know who had submitted comments and made suggestions for their areas.</p> <p>Councillors agreed it was best to keep options open at this early stage in the consultation process. Councillors agreed to submit a response to confirm we have looked at the borough wards to our north (Earlswood and Whitebushes & South Park and Woodhatch) and would welcome discussion with residents in the proposed wards together with R&BBC to better understand the possible options - benefits, risks and difficulties from expansion into these areas. The response was to be clear that it is imperative that before the Parish Council could commit to any amendments to our existing parish boundary, we would need to fully understand the views from our existing residents, views of the residents in this extended community, associated risks including financial / asset transfers, staff levels, expansion processing and available ongoing support.</p> <p>R&BBC will consider all the responses to the consultation and make draft recommendations by 7 November and open another public consultation which will close on 16 January 2026. After this date R&BBC will consider responses to the consultation and make final recommendations for implementation in March/ April 2026. The next Parish Council elections will be held on 6 May 2027 which will be the effective date of any changes to parish/town boundaries and electoral arrangements.</p> <p>Action</p> <ul style="list-style-type: none"> CM to respond to Local Community Governance consultation 	CM
25/09-009	Neighbourhood Plan for Salfords and Sidlow	
	<p>A meeting was held WC, KD, SR and CM with R&BBC - A Benson, Ian Dunsford and Zoe Belton on 18/8/25 to start the engagement and process. It was an informative meeting giving info on what R&BBC is working on and what we should be considering. R&BBC had sent a timeline with actions we need to complete for all the stages of the NHP.</p> <p>Councillors noted that R&BBC target for building for housing numbers over the next 15 years is to build 13 Westvale Parks in the Borough. R&BBC are undertaking a Green Belt review for safeguarding land for housing as requested by central government. It is likely that Salfords and Sidlow will see housing development on a large scale within the parish in the future years. Councillors agreed this should be considered when undertaking the NHP.</p> <p>R&BBC confirmed there are also strategic flood assessments/ SCC transport assessments underway. The DMP includes where growth areas for work are.</p> <p>R&BBC advised we need to ensure we know what our vision is for Salfords and Sidlow, consider the design codes and which policies are required to</p>	

	<p>take that vision forward.</p> <p>Councillors approved to prepare a policy only NHP which will look to review and consider R&BBC policies in their current plan.</p> <p>Councillors agreed the dates and times for following consultation with residents: - Friday 3 October – 11am –SVH Saturday 4 October – 10am - SVH Wednesday 8 October 2025 - 7pm to 8.30pm – SVH</p> <p>The first official step in the process is to submit our designated area. Councillors agreed the submission for designated area which would encompass the whole of the Salfords and Sidlow parish.</p> <p>Action</p> <ul style="list-style-type: none"> ▪ CM to apply for the designated area to be approved by R&BBC for the NHP. ▪ CM/KD to prepare slides and feedback forms for first public consultation process to gather feedback from residents ▪ Councillors to inform CM which public consultation sessions they can attend ▪ Councillors to agree what is then required to submit to R&BBC for next stage in the process. 	<p>CM</p> <p>CM/KD</p> <p>All</p> <p>All</p>
25/09-010	Community Updates	
A	<p><u>Wellbeing Walk – Salfords Stroll</u></p> <p>Councillors noted the walk was cancelled for August, but 6 residents attended in September. Councillors thanked Tina, Keith and Mary for volunteering with the walk</p>	
B	<p><u>Coffee mornings</u></p> <p>Councillors noted August was cancelled but 40 attended the September session. The October coffee morning will be a joint event with Christ the King church and held as a Macmillan coffee morning. There will also be an opportunity for residents to engage with the Neighbourhood Plan consultation.</p>	
C	<p><u>Community Garden</u></p> <p>CM advised lots of produce is growing. An average of 8 residents attend this. Residents are using the produce and excess is being taken to the community fridge in Woodhatch. The roses need to be planted in the beds once the vegetables have gone as the roses need to be in the ground for better survival. We are considering what to grow for next year and whether to have more flowers rather than just vegetables.</p>	
D	<p><u>Parent/ Carer toddler group</u></p> <p>The August session was held in the rear hall due to floor works. We had 7 families attend with 13 children. The next session will be on 10 September.</p>

C	Councillors noted bank reconciliation for July and August 2025 were signed off by CC.	
D	<p>Insurance</p> <p>Councillors noted the insurance is due for renewal on 30 September. The broker, Clear Councils insurance, has changed Insurer from Aviva to Ecclesiastical. The 3-year deal dates have been carried over from our previous policy, so the long-term deal ends on 30/09/2026. As such the renewal premium quoted below contains the 3-year discount.</p> <p>Last year the total premium was £1,826.14. Councillors approved the insurance premium with Ecclesiastical for 2025/26 with a premium - £1,818.09 + Insurance Premium Tax (IPT) - £218.17 = Total Premium £2,036.26. This policy provides all the cover required including subsidence.</p>	
E	<p>Clerks' salary</p> <p>The National Joint Council (NJC) for Local Government Services has agreed pay rates applicable from 1 April 2025 to 31 March 2026. The new pay rates are each increased by 3.20% per annum. Council noted and approved the pay award had been implemented in the August payroll and allocated backdated pay and overtime.</p>	
F	<p>CIL</p> <p>Councillors noted we will be receiving £5,831.81 in CIL funding from 22/00902/F and 19/00807C planning applications</p>

APPENDIX B- PLANNING APPLICATIONS IN JULY/ AUGUST 2025 – SCHEME OF DELEGATION

Ref	Date	R&BBC Officer	Address	Proposal	Parish Council Decision
25/01230 /LBC	17th July 2025		Crutchfield Cottage Crutchfield Lane Hookwood RH6 0HT	Fixing a slimline mesh membrane and replastering.	Support subject to the conservation officer approval. See below
25/01207 /S73	23rd July 2025		Salfords Village Store 21 Brighton Road Salfords Surrey RH1 5BT	Demolition of existing convenience store building and redevelopment involving the erection of a convenience store (Class E) with associated parking and landscaping. Variation of condition 11 and 12 of permission 21/02438/F revision of wording. Variation of conditions 1, 3 and 10 of permission 24/02340/S73. Design amendments to improve appearance and buildability of food store	See below
25/01342 /HHOLD	28th July 2025		24 Llaemdos Reigate Road Hookwood, Surrey RH6 0HJ	Erection of single storey orangery style rear extension. 1No ground floor window added to the north elevation. 1 No first-floor window added to the south elevation. First floor windows changed to French doors on the west elevation.	No observation

25/01230/LBC - We decided the work is necessary to preserve this listed building and should be supported.

The contractors say system specified is the one they we would apply to a Listed Building; it is a demountable and ventilated membrane and is the only guaranteed system that they can offer. The Conservation Officer may accept this system but, in some cases, may not.

25/01207/S73

Comment on Condition 3 Raising the finished floor level 300mm above the modelled flood level must avoid any water run-off from getting onto the highway and neighbouring properties.

Comment on Condition 10 **Object** The revised design is out of keeping with the original building and other buildings in the vicinity. The approved building is brick with arched windows and roofs; the proposed building has much reduced brickwork and a flat roof. The Proposed visual - UA-DD-XX-VS-A-150 Rev P01 is misleading, it shows a 'post-modern' neighbouring structure to the east which does not represent the real buildings. The existing pedestrian fencing on the corner of Honeycrook Lane and the A23 is not shown but must be retained.

25/01354/PIP – Land Formerly Fairthorn

The Parish Council believes the reasons for refusing application 25/00533/PIP have not been overcome and therefore still apply.

Reason 1 says: *'The proposal, by reason of the proposed land use and amount and spread of development across the site, does not meet any of the exceptions set out within the National Planning Policy Framework (NPPF) and constitutes inappropriate development in the Metropolitan Green Belt. No very special circumstances have been demonstrated to clearly outweigh the harm caused by reason of inappropriateness and the other identified harm. such, the proposal is contrary to Policy CS3 of the Reigate and Banstead Core Strategy, Policy NHE5 of the Reigate and Banstead Development Management Plan and the provisions of the NPPF.'*

The Design Statement says *'There is no longer any ambiguity that the proposed development would be appropriate development in the Green Belt. The proposal complies with NPPF para 154 g etc'*

September 2025

The officer report for 25/00533/PIP says *'In terms of g) the land and buildings were last occupied for agricultural purposes and in any case the proposed site area and proposed dwellings extend beyond the established curtilage of the farmyard complex and existing buildings on the site by extending both to the north-west and south-east of the buildings and previously established farmyard area into the neighbouring fields. Therefore, the development site is excluded from the definition of previously developed land under the NPPF. Therefore, the proposal does not meet any of the exceptions under paragraph 154 of the NPPF.'*

The officer report for 25/00533 says *'The applicant makes a claim for the site to be grey belt. The site has never been used for anything other than agricultural purposes. It is not and has never been Grey belt. There has been zero industrial lawful development on this site.'*

Despite several references to Grey belt in the Design Statement there is nothing in it to say the site is Grey belt.

The Parish Council believe Reason 1 has not been overcome and therefore still applies

Reason 2 says. *'The proposed development, by reason of the amount of residential development and its location, which goes beyond the existing established curtilage of the farm yard buildings on the site and in to the neighbouring fields, the proposal would result in an unsympathetic development which fails to promote and reinforce local distinctiveness or respect the rural and agricultural character of the site and surrounding area and would therefore fail to comply with Policy DES1 of the Development Management Plan 2019 and guidance within the Council's Local Character and Distinctiveness Design Guide SPD 2021 and the NPPF.'*

The Design Statement says *'The spread of development has been consolidated and redesigned in accordance with the Council's Local Distinctiveness SPD 2021 where countryside redevelopments are required to follow a farmyard typology and avoid suburban subdivision of plot and the Council's Barns and Farm Conversions SPD 2020. The revised proposal now remains within the existing established curtilage of the farmyard buildings on the site'*

The Parish Council notes the area of the revised site boundary, given on page 10 of the Design Statement, is 0.24Ha, is less than the 0.39Ha in the previous application. However, the northern boundary of the revised site is north of the curtilage of the farmyard buildings, it is clearly further away from barns A and B which are very close to the established boundary. The revised proposal goes beyond the existing established curtilage of the farmyard buildings on the site.

The proposed footprint of the buildings is now shown to be 448m² which is an increase of 49% over 300m² in the previous application.

The Parish Council believe Reason 2 has not been overcome and therefore still applies.

Reason 3. says *'The proposed development is in a location that has no street lighting, no footways, and no public transport within 400 metres of the site along roads with street lighting and footways meaning users of the site would be reliant on private motorised transport for movement contrary to the National Planning Policy Framework 2024 and Policy TAP1 Parking, access, and Servicing of the Reigate and Banstead Local Plan Development Management Plan September 2019 and Reigate and Banstead Core Strategy 2014 Policy CS17 (Travel Options and Accessibility).'*

The Design Statement references developments at Land to the Rear Of 63 & 65 Lonesome Lane Reigate Surrey RH2 7QT and Wrays Farm, Horse Hill, Horley, Surrey RH6 0HN. The Parish Council believes each location must be assessed on its own merits. The above sites are not directly comparable and cannot be judged to overcome this reason for refusal.

The Parish Council believe Reason 3 has not been overcome and therefore still applies

September 2025

If the planning department is minded approving this application the following conditions should be applied.

1. The developed area must not extend outside the boundary of the Reduced compressed site of 0.24Ha shown on page 10 of the Design Statement
2. The land between Lonesome Lane and the area outlined on page 10 of the Design Statement must continue to be green belt, must be kept as open grass land and must be kept free of any building, hardstanding and other development.
3. There must be no intrusive lighting. Any lighting must be within the 0.24Ha area shown on page 10 of the Design Statement, directed downwards and away from Lonesome Lane. Any lighting must be designed and directed in a manner which does not the disturb the well-established bats which are registered to be in the vicinity.
