

COMMUNITY INFRASTRUCTURE LEVY (CIL) ANNUAL REPORT 2025/26

A Introduction

1. Regulation 62A of the Community Infrastructure Levy (CIL) Regulations 2010, requires local councils to report on CIL receipts, expenditure and balances. Local councils receive CIL funding via Meaningful Proportion, which takes place twice a year. This sees local councils receiving a percentage of any CIL money paid within their parish/town.
2. The report must be completed no later than 31st December following the reported year.
3. The report must be published either on the local council's website or on the website of the charging authority if the local council does not have a website.
4. A copy of the report must also be sent to the charging authority.
5. In order to ensure that all local councils have complied with the requirement, Salfords and Sidlow Parish Council will publish a report annually on its website which covers the points raised by Regulation 62A to ensure complicity and ease of access of information.
6. This report relates to the financial year 2025/26 ("the reported year")

B Salfords and Sidlow Parish Council

1. Community Infrastructure Level (CIL) funding is paid for from new residential and retail development. Reigate and Banstead Borough Council (R&BBC) collect the levy and they then pass a proportion of CIL receipts (15%) to the Parish Council from developments that take place in their area. We need to spend the funds within 5 years, or the funds will need to be returned to R&BBC.
2. The purpose of the CIL is for the Parish Council to spend the funds to support development and growth of the area. Examples of ways to spend the CIL include a very broad range of activities such as play areas, parks and green spaces, cultural and sports facilities, schools, community safety facilities, transport, play parks, flood mitigation, maintenance of the village hall, health related projects, etc.

C Financial Year 2024/25

1. The brought forward balance from 31/03/25 was £16,277.02
2. Salfords and Sidlow Parish Council received £9,680.08 via Meaningful Proportion during the financial year.
3. Salfords and Sidlow Parish Council spent £5,650.89 during the financial year.
4. The brought forward balance on 31/03/26 is £16,457.94
