There were 3 planning applications:</p> <ul style="list-style-type: none"> ▪ 1 decided ▪ 1 Refused ▪ 1 appeal lodged <p><u>Horse Hill Developments Ltd (HHDL)</u></p> <p>CB advised the previous applications that had been withdrawn were because these applications could no longer be progressed following the decision of the Supreme Court in June 2024 to quash the temporary parent planning permission for hydrocarbon production at Horse Hill. The parent application remains with the CPA for determination. The CPA are in regular contact with the applicant who is in the process of finalising the preparation of the additional planning and environmental information requested by the CPA. Once received, this information will be subject to a full round of consultation and publicity prior to the application being determined. In the meantime, enforcement officers are continuing to monitor the site and engage with the applicant regarding the removal of equipment from the site and continued cessation of active operations.</p> <p>Standing Orders were suspended</p>	
C i ii	<p>Enforcement Updates</p> <p><u>Picketts Lane</u></p> <p>Residents requested financial assistance to support R&BBC's representation at the JR for Plot 2. Councillors agreed to pay up to £5,000, on top of resident's donation of £20,000, which would be paid directly to R&BBC. This decision was made on the understanding that the outcome of this case is critical not only to Picketts Lane Plot 2, but all surrounding Green Belt fields and Salfords/ Sidlow parish.</p> <p><u>Crosswinds</u></p> <p>The Clerk was asked to contact SCC to request an update as fly tipping at the entrance continues.</p>	
D i	<p>Aviation</p> <p><u>Plane Injustice</u></p> <p>James T, from Plane Injustice, provided Councillors with an update on the Route 4 consultation response and how Plane Injustice had engaged with residents and communities in Salfords, Sidlow, Norwood Hill and wider to ensure they responded to the consultation. He thanked Council for their financial support to date explaining how Richard Buxton Solicitors worked with Plane Injustice to submit a letter, including reference from a noise expert, to LGW. Councillors noted and approved payment of £3,000 which had been made to Richard Buxton Solicitor, for Plane Injustice to appoint them, to produce the letter. Councillors agreed to cover the final balance</p>

GACC needs further funding and requested if the Parish Council could make another donation. Councillors agreed to consider the request but needed more time to make a decision as it was a complex situation. Gareth Owen introduced himself as the new chair. When reviewing the previous meeting minutes, it was confirmed that the aerodrome would not attend future public meetings of the RACC. There was discussion on pros and cons of holding a public meeting in 2026. Nick Stagg (NS) (Chairman Redhill Aerodrome Ventures Limited) said the aerodrome see no point holding RACC public meetings as well as the regular committee meetings. It was argued that the RACC public meetings give the public the opportunity to raise matters directly with the aerodrome. NS said the people representing the public can raise matters at the regular meetings.</p> <p>NS presented his overview explaining the challenges facing the aerodrome. In particular they had suffered from a broken sewer pipe which affected the N/S runway. Thames Water has finally accepted it is their responsibility. It was agreed the aerodrome would write to both MPs about the problems of sewage affecting the N/S runway.</p> <p>JB asked why the Flight Monitoring had been withdrawn and nothing else provided. Graeme Lafferty (GL) (CEO Redhill Aerodrome) explained this had been sent out before he had checked it. He did check it and it was correct so would be shared again. NS insisted they do not have to show the taxiway movements for the last 6 days of October, their calculations use the correct numbers and that is their obligation.</p> <p>JB and NS met on 4 March 2026, with Chair GO in attendance, and the matter had been resolved.</p>	

B	<p>NS had proposed updating the constitution, so it was agreed to have an RACC sub-committee, with County, Borough and Parish councillors, these being Cllr Baart, JB, GO and GL to draft a revised version.</p> <p>The next meeting will be 18 November 2026</p> <p><u>Tree planting at Salfords Social Club</u> Councillors noted CB met with Chair of Salfords Social Club and Surrey County Council to agree a plan to plant trees on the land. SCC will submit a report with recommendations including providing fruit trees to start a mini orchard, planting trees in various locations near the playground and large oak tree and to create a hedge, from whips, between the playground and carpark and provide further whips for previous hedging which was created.
