## Message from the Parish Council

Councillors have been working on the development of the Salfords and Sidlow Neighbourhood Plan. We have several consultation events for you to come and see and comment on the progress of the plan to date.

Through the summer we ran a successful community garden growing a huge selection of produce which has been enjoyed by the residents. This will formally close at the end of October but we will continue to tend to the garden through the winter months in preparation for Spring 2026. We had already gone to print to be able to report on the Emmanuel Church spectator's station for Reigate Half Marathon but if you attended we hope you enjoyed the occasion.

We have lots of ongoing community events including our regular well being walks and coffee mornings on the first Friday of the month. The October coffee morning will be in support of Macmillan charity run by Christ the King Church. The Parent/ Carer toddler group welcomes about 10 families each month and we have space for more so as winter encroaches please visit us on the second Wednesday of the month at 10.30am when we have activities for children age 0 to 5 years old.

The Autumn litter pick for Salfords has been scheduled for Saturday 4 October and Sidlow will hold theirs on Sunday 9 November in the afternoon. The Parish Council has purchased more daffodil bulbs and Sidlow will plant these on their litter pick day and Salfords planting will be on Saturday 25 October meeting at 10am.

We hope you can join us for our Diwali celebration event, which is also on Saturday 25 October at Salfords village hall from midday to 2pm when we will be having crafts, dance and food and refreshments to celebrate.

The Sidlow fireworks event is booked for Saturday 1 November with gates opening at 6.30pm. Everyone is welcome. Our Christmas celebration will be held on Saturday 8 November at Salfords village hall. We will be turning on the Christmas lights, providing live music, refreshments and craft stalls to purchase Christmas presents. These are all free events for the benefit and enjoyment of our community. We hope you can join in the fun.

Councillors have responded to the Reigate and Banstead Borough Council Community Governance review advising we are open to exploring options to expand the parish boundary to the north, if our residents support it, and welcome dialogue with residents from those wards and R&BBC to consider the implications.

We are closely monitoring the local government reorganisation to try to better understand what impact it will have directly to our parish and residents.

If you have any questions on subjects raised or would like to get involved please contact the Clerk.

Claire.minter@salfordsandsidlowpc.org.uk

## **Neighbourhood Plan Update and Progress**

Councillors have been working on the development of the Salfords and Sidlow Neighbourhood Plan. We are creating a policy only plan, not recommending allocation of sites for development, but want our plan to be cohesive, stringent and help shape future development for the villages. We have met with Reigate and Banstead Borough Council who is supporting us on the process and are important and integral to this to be a success. Government targets for housing means Reigate and Banstead Borough Council has to build 1285 houses per annum. That is development size of 13 Westvale Parks in 15 years. We know our villages will be targeted for development and Reigate and Banstead Borough Council are currently undertaking a Green Belt review as requested by central government. We want to protect Salfords and Sidlow to ensure that any development in our community ensures it enhances it as best we can and the accompanying infrastructure and improvements are provided. We have several consultation events for you to come and see and comment on the development of the plan to date.

This is your opportunity to work with us and provide feedback. We have to take the neighbourhood plan to a resident referendum prior to submission to the Planning Inspector for sign off so need your help to be part of this process and journey.

### **S&SPC NEIGHBOURHOOD PLAN PUBLIC CONSULTATION DATES SALFORDS VILLAGE HALL**

**FRIDAY 3 OCTOBER - 11am to 12.30pm**

**SATURDAY 4 OCTOBER - 10am to 11.30am**

**WEDNESDAY 8 OCTOBER - 7pm TO 8.30pm**

Please come and see what we are working on and comment. This is your opportunity to get involved with how Salfords and Sidlow can look in the future.

**If you have any questions or would like to get involved please  
contact the Clerk.**

**Claire.minter@salfordsandsidlowpc.org.uk 01737 780339**

# Daffodic Planting DAY

**Saturday 25 October**

**10AM**

**Outside Miller and Carter**

**PLEASE JOIN IN THE COMMUNITY PLANTING**

## Gatwick Airport - Route 4

We have been in discussion with Gatwick Airport in respect of Route 4. We have received feedback from residents that they are experiencing more overflying in recent months and questioned if aircraft had deviated from the known legacy route.

At the September council meeting Councillors noted that 26% of flights using Route 4 are non-compliant to the Noise Preferential Route (NPR). It should be noted none of the other flight routes from Gatwick are non-compliant. We have written to Gatwick Airport to ask for detail and answers to the following: -

- Why is there so much non-compliance with Route 4 and none on other routes at Gatwick Airport?
- Can Gatwick Airport confirm if it is the same airlines who are non-compliant with Route 4?
- What authority/ ability does Gatwick Airport and the CAA have to these airlines on poor performance and what action is and can be taken?
- Is Gatwick Airport able to influence airlines who are not adhering to the NPR and share data with aircraft which can adhere to better educate the non-compliant ones?

We await the responses and once known will decide if there is any action we should be taking. We are advised by Gatwick Airport that there will be a Route 4 consultation in 2026. It is imperative that we have an understanding of the latest situation before being able to make comment on this.

Updates will be provided on our website

### **SIDLOW COMMUNITY ASSOCIATION BOOT FAIR**

## **Community Governance Review Consultation**

Reigate & Banstead Borough Council (R&BBC) has started a Community Governance Review (CGR) to consider local governance arrangements throughout the Borough. This is a legal process that gives residents and organisations an opportunity to share their views on the most suitable ways of representing local people at a community level. Parish/ Town Councils can play an important role in terms of empowering communities and R&BBC want to ensure that parish governance within the borough continues to be robust, representative and is able to meet new challenges, such as the new unitary authorities. The aim of the review is to bring about:

- improved and stronger community engagement
- more cohesive communities
- better local democracy
- more effective and convenient delivery of local services ensuring residents across the respective areas are treated equally and fairly

Parish Councillors believe it is imperative that residents and businesses should have a local voice and be represented under the new unitary authority and as such are open to explore options with R&BBC to make sure this continues to happen. We have submitted a response to confirm we have looked at the borough wards to our north (Earlswood & Whitebushes and South Park & Woodhatch) and would welcome discussion with residents in the proposed wards together with R&BBC to better understand the possible options - benefits and difficulties from expansion into these areas.

We have made it clear that it is imperative that before the Parish Council could commit to any amendments to our existing parish, we would need to fully understand the views from our existing residents, views of the residents in this extended community, associated risks including financial / asset transfers. We would also request support from R&BBC to assist the Parish Council in being prepared with any expansion of electors such as calculating staff requirements to meet the new resident number demands.

Councillors agreed it was best to keep options open at this early stage in the consultation process. R&BBC Officers will consider all the responses to the consultation and make draft recommendations to full Council by 7 November and open another public consultation which will close on 16 January 2026. After this date R&BBC Officers will consider responses to the consultation and make final recommendations to full Council for implementation in March/ April 2026. The next Parish Council elections will be held on 6 May 2027 which will be the effective date of any changes to parish/town boundaries and electoral arrangements.

YOU'RE INVITED TO JOIN THE

# FAMILY PLAYGROUP

At Salfords Village Hall  
10.30am – 12pm – Second Wednesday of the month

FREE ENTRY

## THINGS TO NOTE:

It's all about friendship!  
Enjoy a range of fun activities  
Accessibility is a core focus  
Free refreshments for all

## WHY PLAY?

As a parent being a part of a community activity can help you feel less alone as you are amongst peers. Children will have fun, make friends and grow in their social skills.

# Salfords Primary School

BE YOUR BEST!

Hello from all of us at Salfords Primary School. We have started this year positively and have welcomed many new Nursery and Reception children as they continue their educational journeys with us. It is exciting to see so many bright, eager faces ready to explore, learn, and grow. Our classrooms are already buzzing with curiosity and creativity as children settle into new routines, build friendships, and begin to discover the joy of learning. We are incredibly proud of how confidently they have embraced this new chapter, and we look forward to supporting each child as they flourish throughout the year.

We are absolutely delighted with our brand new outdoor provision for the early years children (Nursery and Reception). The Mayor of Reigate and Banstead Borough Council officially opened the play areas with the CEO of our Trust, James Nicholson. Outdoor learning is so important because it nurtures the children's natural curiosity, supports physical development, and encourages exploration. It also helps children develop social skills, resilience, and independence while connecting with nature and engaging in hands-on experiences that deepen their understanding of the world around them.

If your child is due to start school in September 2026, our open events are now available to book via the form on our website.

## **Crosswinds - County Court**

The Judge granted an interim injunction order for Crosswinds site at the court hearing on 21/7/25. This is in relation to the illegal waste dumping on a Green Belt site which has caused nuisance to residents with a continuous influx of lorries driving on local roads and causing damage to the land.

The interim order will remain in effect until the matter progresses towards a final judgement, which in turn could be followed by the Court granting a final order. The interim order will only seek to prohibit the relevant activities during its period of effect, so as to maintain a 'status quo'. Only at a final order would any remedial/removal works be mandated. The date for the next hearing at the Guildford county court is 29/9/25 at 12pm.

The Parish Council submitted representation for the court where we stated: -

- the nuisance to residents caused by a huge volume of lorries travelling at speed along Ironsbottom and Horse Hill from early in the morning until late at night day after day
- Observation that between 10 and 20 lorries with Fullers logo on their sides entering and leaving the site on a daily basis and how it is beyond comprehension that a firm of the size of Fuller Grab Hire Limited would not have been aware that the site had no planning permission for waste disposal
- Noting the obvious financial benefit to disposing of commercial construction waste in an unlawful manner being beneficial to the landowner and waste lorry operators
- Raising the fact that 80% of the land area is now said to be contaminated with unknown waste
- That the land has been raised by as much as one meter in many areas and without any satisfactory explanation it can only be agreed that it is purely for disposal reasons with its associated pecuniary advantage set off.

We stated it is essential that the land is restored to its original agricultural nature, to ensure that there is no risk of leaking of any contamination into the local water courses. We understand that the scale of the restoration works required to rectify any harm caused by the activity will be substantial. However, the offenders here are not innocent. Identical activity was stopped in 2021 at some cost to Surrey County Council in time effort, etc., however the owners failed to restore the land then and seemingly were encouraged by the lack of full enforcement to renew the activity in 2024.

A failure to require restoration now will only continue to encourage all of the defendants.

We await the decision of the court judgement.

## HELEN CURRY PILATES FITNESS

## Salfords village hall update

The Parish Council has made an application to bid for Reigate and Banstead Borough Council strategic CIL funding to enable us to make further enhancements to the village hall. The improvements include:

- repairs to roof at left hand side - when viewed from the front
- Replacing the flat roof at the main entrance of the hall
- Wrapping all fascia and soffits to provide longevity and improve appearance
- To change the forecourt to provide on site parking including provision of dropped kerb and disabled parking
- Improvements to main hall floor.

If the Parish Council is successful, we will need to apply for planning permission for the carparking improvements and also make a subsequent application to Surrey County Council for the dropped kerb. Other works will need to go to tender.

In the meantime we have plans to have some decoration works to tidy up areas where there is wear and tear.

### Communication Accessible

The village hall has been accredited as being Communication Accessible. The Clerk and Cllr Caroline Clarke have completed training on Communication Access which means they have the capability in supporting people with communication difficulties more effectively.

By committing to these standards to become Communication Accessible, it enables people with communication difficulties to use our services with greater confidence.

## Foodbank

We welcome foodbank donations at Salfords village hall. If you have anything you would like to donate please contact the Clerk who can arrange access

## SIDLOW COMMUNITY QUIZ NIGHT

Test your knowledge and have fun with friends!

Join Us

**25 October 2025**

Emmanuel Church, Sidlow

More information available soon from the Clerk

We are here for you.

Come celebrate the Good News that we have to share with one and all.

We are drawing close to the arrival of Jesus in Bethlehem.

Our Pilgrimage to Winchester reaches its conclusion at the end of October having now completed the whole way from Canterbury via Salfords to Winchester.

The 2 churchwardens, not content with this, decided to walk Hadrian's way over 7 days averaging 11 miles a day with the aim to raise money for much needed repairs to the church garage and, also, to support Plan International a worthy charity helping to give aid to children in war torn countries.

### Special Church Events

Invite friends, neighbours and family.

3rd October- Joint Coffee Morning and Cake Sale in aid of MacMillan Cancer Support- 11 am in Salfords Village Hall

4<sup>th</sup> October - Quiz Night see separate advert

5<sup>th</sup> October - PET BLESSINGS (No snakes)

1st November- All Souls Praying for the departed and those who mourn. 12 noon

9th November- Remembrance Sunday 10 a.m.

21<sup>st</sup> December- Carol service 6 p.m.

Christmas Eve- Crib service 5 p.m. and 10 p.m. Mass of Bethlehem.

Christmas Day- Family Mass 10 a.m.

Check the website for further details

A PLACE TO BELIEVE, TO BELONG, TO BECOME

The Church of England welcomes everyone.

## PLANNING APPLICATIONS

Salfords and Sidlow Parish Council is a statutory consultee on planning applications in Salfords and Sidlow that are registered by Reigate and Banstead Borough Council (R&BBC) and Surrey County Council (SCC).

Councillors meet at their Councillor surgery on the Monday evening at 6.30pm a week before each Council meeting to review all planning applications and discuss any other matters residents want to raise. If you wish the Parish Council to be aware of your views on a particular application, then please contact the office at the earliest opportunity so that they may be considered by the Council. Public attendance at our Councillor Surgery is also welcomed as this is one of your opportunities to liaise with Councillors and make comment in an informal setting. If you feel strongly about an application it is important that residents also comment directly.

In the months July to September, the Council reviewed 16 planning applications as follows:- Support - 1, No observation - 7, No objection with comment - 5 and 3 objections.

## APPLY FOR WARM HOMES GRANT

The Warm Homes Grant to make your home more energy efficient and save on bills is now open for applications in Surrey. Home improvements you can get:

- wall, loft and underfloor insulation
- air source heat pumps
- smart controls
- solar panels.

You are eligible if:

- your home is privately owned (either by you or your landlord)
- has an Energy Performance Certificate (EPC) of D, E, F or G – if you do not know your home's EPC, you can find it out when you apply
- your household income is £36,000 a year or less. If you earn more than that, you might still be eligible if either:
  - you live in a certain postcode area
  - someone in your household is getting certain benefits

This scheme is run by Surrey County Council.

## SALFORDS CRICKET CLUB

As the season winds down, we want to start by extending a huge thank you to every player, volunteer, and supporter who made this year so memorable. From those nail-biting finishes to the great moments shared at the clubhouse, your dedication is what makes our club so special.

### **Season Highlights**

What a fantastic year it's been! The senior teams gave it their all, and our junior squads showed incredible promise. For the seniors we fielded three teams in competitive leagues on Saturday and then one friendly team each Sunday. Practices and games were held for our juniors with kids between 9 and 13 taking part.

### **Upcoming Events: Don't Miss Out!**

The fun doesn't stop just because the season is over!

- Senior prize giving and season reflection will be hosted this October stay in touch for updates on dates and time
- Pre-season Indoor Nets Starting early March Get a head start on next season!

For more details on any of these events, visit our website  
([www.salfordsgcc.co.uk](http://www.salfordsgcc.co.uk))

Our club is powered by an incredible team of volunteers, and we wanted to take a moment to express our immense gratitude. From coaching our junior teams to running the clubhouse on game days and keeping our grounds in top shape, you all contribute so much. Your passion and dedication make every season a success, and we simply couldn't do it without you. Thank you for giving so generously of your time and energy to our cricket community.

---

## **WARM WELCOME AND FUEL VOUCHERS**

The Parish Council has received grant funding of £250 from SCC to enable us to offer our Warm Welcome coffee mornings providing residents with an opportunity to warm up, Get a hot drink, home made cake and biscuits for free, Get energy advice and debt support and enjoy some social interaction

### ***Fuel Vouchers***

We have also been allocated Fuel Vouchers to provide to residents who are in fuel poverty or struggling to heat their home. Eligibility criteria applies but if you believe you would benefit from a fuel voucher, please contact the Clerk.

## EMMANUEL CHURCH

Dear Friends, we hope that everyone had a great summer. We now head into that wonderful season of autumn. I think there is more change in the autumn than at the end of the calendar year. The children go back to school, previous activities resume after the summer break. This is often a time when new things start - different activities or new jobs. Hopefully it can be a fresh start. New things also bring anticipation and trepidation in equal measure. Together we can help each other see and experience new things, sharing the uncertainty as a community. I hope that we can inspire and encourage each other to find new activities and experiences in the local community.

Emmanuel Church is getting ready for the autumn season too. We will be celebrating the following festivals and events over the next few months:

Harvest on Sunday September 28th at 11 am. This will be a Communion Service where we will give thanks to God for this year's harvest. Harvest may not have the same significance for us as it once did, there is still a lot to be thankful for. Farming remains an important part of our local communities and we should be grateful for what they provide for us. Changing weather patterns, government policy, heat waves, flooding, droughts and war all have major impacts on the food chain. Please join us as we join together to celebrate this special season.

From the Harvest season we go into Remembrance time over the first 11 days of November. On Sunday November 2nd at 11 am we will come together to mark All Souls Day to remember those whom we love but no longer see. It does not matter if the loss was decades ago or a few months. We are all impacted by bereavements. Please send in any names you wish to have read out in the church at this service. Please email [revdsuelepp@gmail.com](mailto:revdsuelepp@gmail.com) or call or text me on 07930 20562.

Remembrance Sunday Service on November 9th at 10:55 am. This is a special day for many people and attendance continues to grow at services across the country. I hope the same will be true in Sidlow Bridge.

Emmanuel has Sunday morning services at 11 am. We have Communion services on the 1st, 3rd & 4th Sundays, Matins on the 2nd Sunday. 5th Sundays are Joint Parish Services with St Nicholas Charlwood. We no longer offer a Sunday School or Evensong.

The Church is still struggling on a few fronts, especially with practical help. There are times when occasional jobs (inside and out) need doing. We would be very appreciative if anyone in the village could be able to help out - or at least be called on. Please contact Church Warden Liz or myself.

## ELECTRICAL CHARGE VEHICLE POINT

### What is the Surrey Chargepoint Network?

Providing the residents of Surrey with reliable, inclusive and convenient charging infrastructure is essential if the county is to be EV-ready by 2030.

That's why Surrey County Council has teamed up with Connected Kerb for a history-making project to install hundreds of charging points across the region by 2027. The agreement will last for the next 15 years with a phased approach that will see public chargepoints installed on residential streets and car parks near you.

### ***Smart Charging - How it works?***

Plug in your car after 7 pm and schedule your charging for off-peak hours (midnight to 7 am). So, you can charge cheaper, and using cleaner energy thanks to more renewables at night. Connected Kerb are confident they provide great value as they remain below the market average benchmarked for standard charging.

### ***Phased Deployment and Feedback Initiative in Surrey***

The chargepoint locations are chosen by people that matter the most - the Surrey community. From residents to landowners, your opinion matters.

Do you think there is a road near you which would benefit from a charging point through Connected Kerb? If so please let the Parish Council know.

For more information look on Surrey County Councils website for Surrey EV Policy and Connected Kerb.

If you have any other questions about EV charging in Surrey, please email: [electricvehicles@surreycc.gov.uk](mailto:electricvehicles@surreycc.gov.uk)
