All times shown are Central Time (CT). The Mississippi Valley Workforce Area (MVWA) reserves the right to adjust the schedule when it is in the best interest of the Local Area or to extend any published deadline in this RFB. The bid and all required attachments must be received at the MVWA Administrative office by the dates and times shown above. PURPOSE

The purpose of this Request for Bid (RFB) is to obtain the services of a responsible bidder with the most cost-effective bid to serve as the Fiscal Agent for the Mississippi Valley Workforce Area (MVWA).

INTRODUCTION

The Mississippi Valley Workforce Development Board (MVWDB) is one of nine Workforce Development Boards in the state of Iowa designated by the Governor under the Workforce Innovation and Opportunity Act (WIOA). The MVWA is also represented and overseen by the Chief Elected Officials (CEOs). The CEOs are comprised of one individual from each of the eight County Board of Supervisors. MVWA has the responsibility for the planning and oversight of Title I programs and workforce services under WIOA in the eight (8) counties of Jackson, Clinton, Scott, Muscatine, Lee, Louisa, Des Moines, and Henry counties in Iowa.

The intent of WIOA Title I is to provide training opportunities for individuals that match the existing and future workforce needs of employers. The focus of service delivery is to provide eligible Adults, Dislocated Workers, and Youth with access to career information, career assessment, career planning, and, as needed, training and other career preparation that will increase opportunities for employment. Employer services include assistance with identifying individuals to fill job openings, re-employment of laid-off workers, and provision of other services and information to help employers recruit, retain, and develop their workforce. The funding for the MVWDB and the services provided in its IowaWORKS American Job Centers (AJC) are from the U.S. Department of Labor, Employment and Training Administration.

The CEOs of the MVWA have the authority to select a Fiscal Agent to serve as the grant subrecipient to act on their behalf pursuant to WIOA. While WIOA permits the Chief Lead Elected Official (CLEO) to designate an entity to serve on their behalf as grant subrecipient and Fiscal Agent, the CLEO understands that this designation does not relieve the CLEO of their financial liability for any misspent funds. Under WIOA, the CLEO retains ultimate liability for the repayment of any WIOA funds which have been misused or costs which have been disallowed.

**Transition**

MVWA currently has a contract with Southeast Iowa Regional Planning Commission (SEIRPC), as the Fiscal Agent ending on June 30, 2022. The current Fiscal Agent SEIRPC will work with the winning bidder to transition the systems, processes and procedures established in the MVWA to successfully carry out the Fiscal Agent functions under the contract.

**TYPE OF CONTRACT, PAYMENT PROCESS AND TERMS**

The MVWA will use a cost-reimbursement contract. A line-item budget shall be based on all legitimate costs to be incurred by the Fiscal Agent in carrying out the services. The selected Fiscal Agent will be reimbursed for allowable actual costs on a monthly basis after submittal of invoices and approved by the Finance Committee instructed in the contract. Invoices will contain the number of hours billed to WIOA and any other breakdown of billed expenses monthly.

The cost section of the bid package shall provide a detailed budget and a budget narrative for delivery of the required scope of work. All proposed costs of the fiscal agent must be reasonable, necessary, and allocable. The line-item budget shall include the following line items: personnel services and benefits, office expenses, audit, insurance, indirect rate, and any other related Fiscal Agent expenses.
The initial contracting period for the provided Scope of Work will be June 1, 2022 – June 30, 2023. This first contract period is for a 13-month period to ensure there is a transition period between the current Fiscal Agent and the new Fiscal Agent. The contract may be extended an additional three (3) year period to be determined on an annual basis with a satisfactory performance evaluation to be determined by the MVWDB and the CEOs. Subsequent contract periods will run from July 1 – June 30.

Cost negotiations of the contract amount will occur with each succeeding year of the contract period. Fiscal Agents will be required to submit to the MVWA an annual budget for each contract year extension. The MVWA will provide the Fiscal Agent with budget parameters (including required timelines) based on preliminary/final allocation awards on an annual basis.

The successful bidder will be required to agree to the contract and/or agreement general terms and conditions, have all controls securely in place, and agree to comply with any policies created by the MVWA and any applicable federal or state policies, regulations, or laws. Bidders are advised that most documents in the possession of the MVWA are considered public records and subject to disclosure under Iowa Public Records Law.

**FUNDS AVAILABLE**

Funding for each program year is determined by the US Department of Labor based on an established formula for WIOA State Formula Funds awarded to states by no later than June of each year. Program Year (PY) 2022 and Fiscal Year (FY) 2023 amounts are subject to change, based upon the actual amount allocated to the Local Area and available carry-over funds. It is understood that funds will fluctuate from year-to-year. The contract agreement shall be modified to increase or decrease funding as needed to reflect actual federal funds received during the contract period. The successful bidder will be awarded a cost-reimbursement contract. The Board may expand the scope of the contract and renegotiate the costs to include other workforce programs, funding or requirements that the Board deems necessary and appropriate. All agreements are subject to the availability of funds to the MVWA.

There are strict limits of 10% for administrative costs under WIOA. The Fiscal Agent cost will be allocated to either program funds or administrative funds based upon the definition of WIOA services being performed. These definitions are found in the referenced WIOA legislation. Note: the costs are not limited to administrative cost as the function may also be programmatic in nature and acceptable program costs (20 CFR 683.205 & 20 CFR 683.215).

The MVWA’s program year runs from July 1, - June 30. In the current PY there are currently fourteen (14) different funding streams to maintain, across six (6) different programs. It is anticipated that PY22 (July 1 – June 30) and FY23 (October 1 – June 30) funding will be similar to the current PY21 and FY22 funding levels. It is also estimated that the amount of carryover funding will be significantly less moving into PY22.
From time to time throughout the year, the local area may be awarded additional funds within these categories or may be awarded new grants from the State or Federal level or local services. Therefore, the number of contracts may fluctuate within the year.

Up to $75,000 is available for Fiscal Agent Services
Period of June 1, 2022 – June 30, 2022

All bids will be evaluated on the basis of obtaining the most cost-effective price possible while achieving the highest quality service delivery. A cost price analysis will be conducted on the proposed costs during the bid review process. Agencies are encouraged to submit their best offer for providing the services solicited and to thoroughly describe and justify the costs. The cost and price analysis shall be conducted to ensure that the proposed costs are necessary, fair, and reasonable; to determine if the proposed costs are allowable and allocable; to ensure that the costs are directly associated with carrying out only the proposed services.

**TERMINATION DUE TO NON-AVAILABILITY OF FUNDS**

Should a contract be awarded based on this bid, the MVWDB, notwithstanding anything in the signed Agreement to the contrary, and subject to limitations, conditions, and procedures set forth below, the MVWDB, through its designated Fiscal Agent, shall have the right to terminate the Agreement without penalty by giving sixty (60) days written notice to the winning bidder/sub-recipient as a result of any of the following:
