## Respect, Explained!

Respect, as defined in the Oxford Dictionary, means a feeling of admiration for someone's good qualities or achievements.

This is also how we understand respect in terms of Catholic virtue. Let's consider that: the Catechism tells us that "man must...respect the particular goodness of every creature" (CCC 339) in God's world. So what are the admirable qualities shared by each and every creature?

There is only one, and it's quite simple: the Creator himself. Respect, wrote the theologian Fr. Romano Guardini, is the "everyday form of reverence."

Respect is an admiration of the sacredness of a thing. Respect for those made in God's image flows from our primary respect for God himself. Because of this, it is particularly important that we, as Christians, show respect for those segments of society that only we will recognize as being sacred: the unborn, the elderly, the poor, the stranger.

If we do not respect them, who will?
