Embalming

You do not have to pay for embalming if you did not authorize, if you selected an arrangement such as a direct cremation or immediate burial.

Although embalming is not required by law, for health reasons no deceased will be held at the mortuary for a period of over 24 hours without embalming or other form of disinfection and temporary preservation. If you are charged for embalming or sanitary care and handling of unembalmed remains, reasons will be stated in writing on your statement or invoice.
