GENERAL PRICE LIST

These prices are effective as of August 12, 2026. Prices are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statements we provide describing the funeral goods and services you selected. Certain funeral services may be provided off-premises by other service providers.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services and newspaper notices. The prices for these items will be shown on your bill or the statement describing the funeral goods and services you selected. We charge you for our services in obtaining third party removal and transfer services, and cremation fees.

In most areas of the country, state and local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a burial vault or a grave liner will satisfy these requirements.
