RE: Fifth Street Road Closure

Beginning later this afternoon, Fifth Street Road will be closed between 1030th Street west to Connolley Road. This closure is necessary so contractors can begin pavement removal and preparation for the construction of a new road and curb and gutter. The closure is expected to last several weeks.

Connolley Road, between the Sysco entrance and 5th Street Road, will also be closed.

Traffic west of the closure will need to detour to the west and use County Road 700E back to State Route 10.

For more information, please visit the City Website at <https://www.lincoln.il.gov/5th-street-road-project>.

If there are any questions or concerns, please contact the Street Department at 217-732-4655.
