RE: Christmas tree collection within the City of Lincoln.

The Lincoln Street Department will begin picking up Christmas trees on Wednesday, January 14, 2026. Trees should be placed at the curb no later than 7:00am that morning.

Crews will start collection at 7:00am and run continuously until they have completed a pass through the city. They will not return to an area after a pass has been made to pick up any trees that were not out.

Trees should be placed at the curb and removed from bags. Trees should also be free from all decorating material and stands. Any trees not meeting these requirements will not be picked up.

Citizens may also dispose of their trees at the Landscape Waste Facility, located at 957 Broadwell Dr., on Wednesdays and Saturdays from 8:00am to 3:50pm.

If there are any questions or concerns, please contact the Lincoln Street Department at 217-732-4655.
