

City of Lincoln Drop-off Cleanup

The City of Lincoln will host a City wide cleanup and tire collection at The Lincoln Municipal Services Building at 313 Limit Street. The purpose of this cleanup is to give the residents of Lincoln an opportunity to dispose of large bulky items and other things that would not normally be picked up during regular weekly waste collection. The cleanup will take place on the following date and time...

Saturday, May 9, 2026 between the hours of 8:00 AM to 4:00 PM

Items should be brought to The Municipal Services Building at 313 Limit Street. Residents should enter the facility off of Limit Street, stay to the right, and continue all the way around the building to the unloading area at the southwest corner. After unloading your vehicle, stay to the right, and exit back on to Limit Street. There will be staff from the City and Area Disposal to assist with unloading. Photo I.D. is required to show proof of residency. Residents must have a residential account in good standing with GFL to participate.
