

2025 Fall Leaf Collection Update Notice

Lincoln Street Department crews will be providing fall leaf collection to all City residents on the remaining dates and times indicated below. Pickup will begin at 7:00am. Crews will run continuously until a pass has been completed through town on each of the dates listed below.

- December 10, 2025
- December 17, 2025

As a reminder there is a weight limit of 50 pounds per bag or container. Crews are running into bags and containers that are exceeding this limit. **Do not compact leaves into Bags or containers.** Doing so increases the risk of injury to our staff; it also makes containers extremely difficult to empty. This collection is for leaves only. No brush or other landscape waste will be picked up. Any bags or containers found to be too heavy or have litter, plastic or other waste will not be picked up or emptied. Crews will not return to any ward to pick up any bags or containers that were not out until the next scheduled pick up dates.

DO NOT RAKE, MOW OR BLOW LEAVES OR GRASS INTO THE STREETS

Things citizens can do to manage their own leaves...

- Mulch with mower
- Compost
- Haul leaves to the City Landscape Waste Facility at 957 Broadwell Dr.

Extended Hours at Landscape Waste Facility

The Landscape Waste Facility will be open Wednesday through Sunday from 8:00 am to 3:50 pm until December 14, 2025, weather permitting. The facility will return to the regular Wednesday and Saturday schedule beginning December 17, 2025.
