PURPOSE STATEMENT

The purpose of the Lincoln Police Department monthly report is to compile data into one integrated report for review, allowing for a seamless flow of information for better decision making. Each month, internal departments provide monthly statistics and send them to the Administration Department; where it is organized, analyzed, packaged, approved, and delivered to the Chief of Police, City Mayor, City Council and the public.

ADMINISTRATIVE

DIVISION

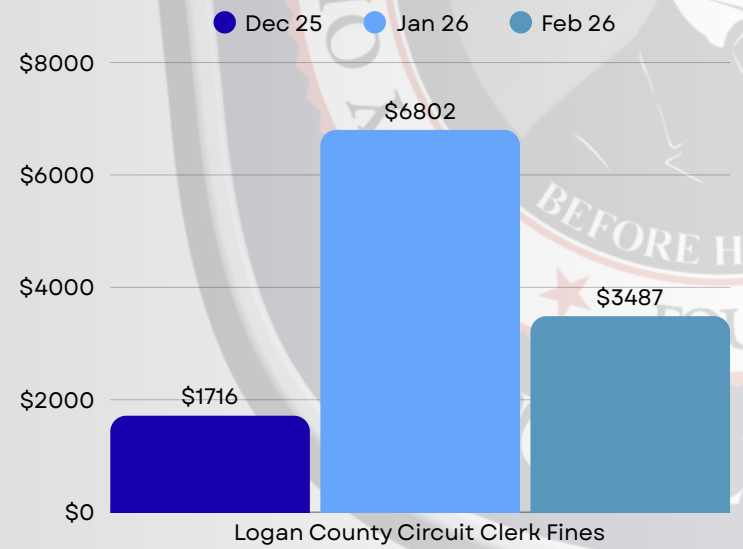

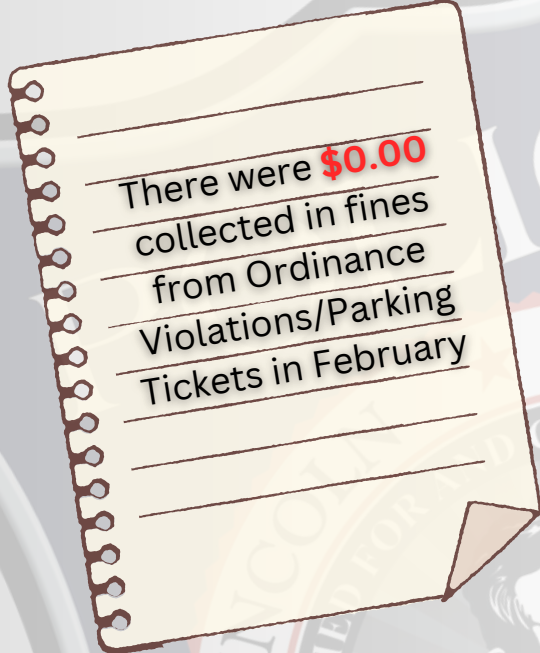

The Administration Department is responsible for the daily operations of the department as a whole. The Deputy Chiefs are accountable for numerous day to day projects found within the department and all activities on patrol. This department is staffed by the Chief of Police, the Administrative Deputy Chief, the Operations Deputy Chief and three civilians.

The Lincoln Police Department is proud to have been included in the development and implementation of a program, such as this, that can improve the quality of life for residents of our jurisdiction.

In late February, the initiative began within Logan County. The program connects people experiencing mental health and substance use challenges with tailored support, including housing resources.
