
Lincoln
Police Department

March 2026

MISSION STATEMENT

The Lincoln Police Department will be courageous and honorable in our endeavors of peace keeping. We will obtain a higher quality of life for our citizens through teamwork, communication, transparency, and reducing crime.

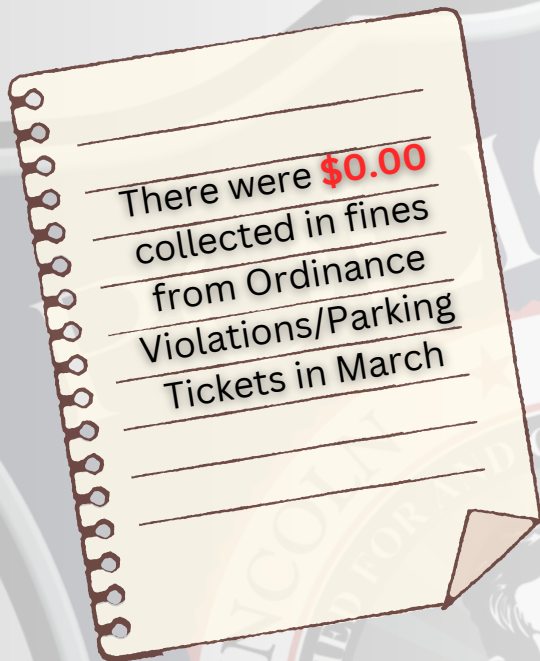

PURPOSE STATEMENT

The purpose of the Lincoln Police Department monthly report is to compile data into one integrated report for review, allowing for a seamless flow of information for better decision making. Each month, internal departments provide monthly statistics and send them to the Administration Department; where it is organized, analyzed, packaged, approved, and delivered to the Chief of Police, City Mayor, City Council and the public.

ADMINISTRATIVE

DIVISION

The Administration Department is responsible for the daily operations of the department as a whole. The Deputy Chiefs are accountable for numerous day to day projects found within the department and all activities on patrol. This department is staffed by the Chief of Police, the Administrative Deputy Chief, the Operations Deputy Chief and three civilians.

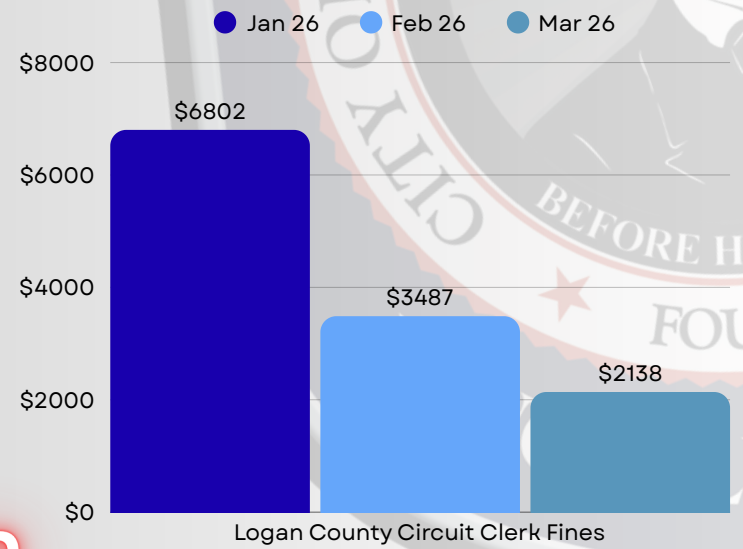

The Lincoln Police Department is proud to have been included in the development and implementation of a program, such as this, that can improve the quality of life for residents of our jurisdiction.

In late February, the initiative began within Logan County. The program connects people experiencing mental health and substance use challenges with tailored support, including housing resources.

Within the first week of its inception, the Lincoln Police Department had **5** referrals to the program.

For the month of March, the Lincoln Police Department has been able to refer **20** individuals to the BRIDGE program for assistance.

NIBRS

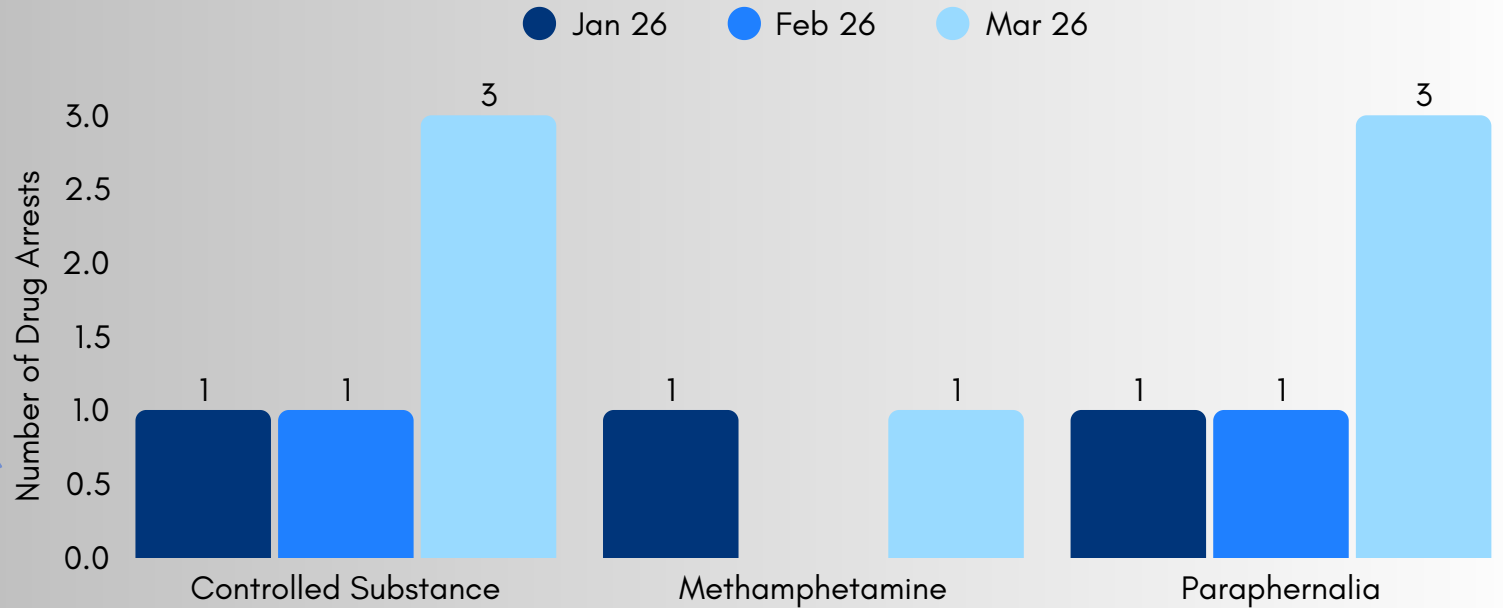

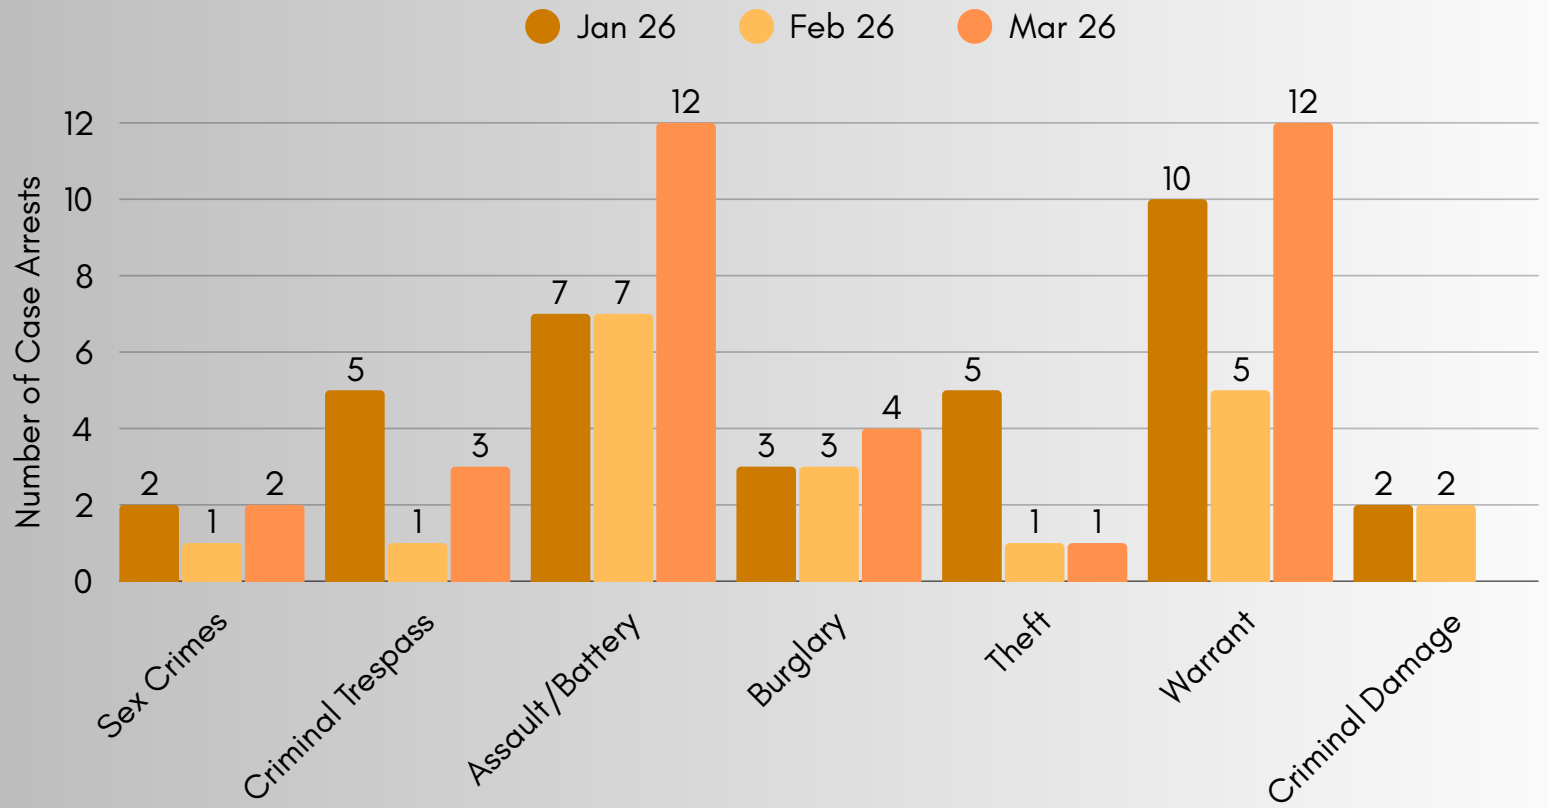

ANALYSIS

Crime Analysis is responsible for the analysis and distribution of crime activity data and the collection and preservation of crime intelligence information for the City of Lincoln. This data is compiled into the National Incident-Based Reporting System or NIBRS. NIBRS captures information on victims, offenders, arrestees, property, and the location involved in crimes on each incident in great detail. This federally based program breaks down law enforcement data into three main categories: Crimes Against Persons, Property Crimes, and Active Community Policing (drug crimes).
