Purpose Statement

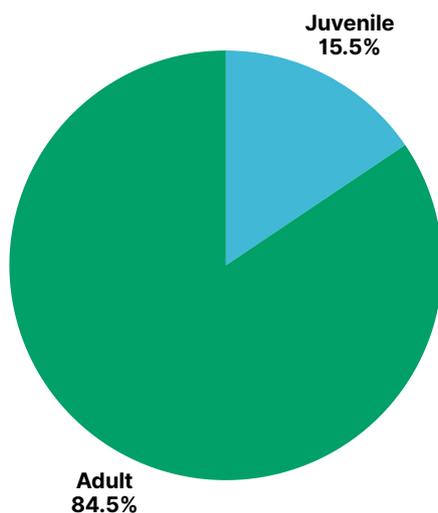

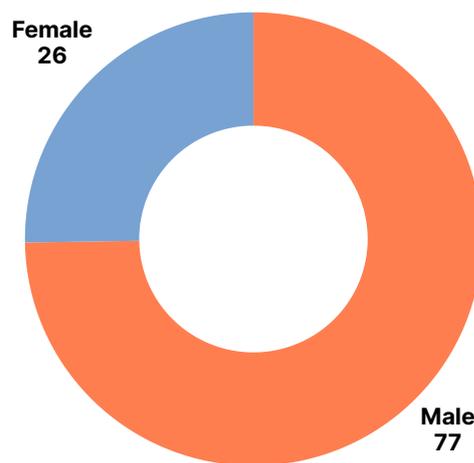

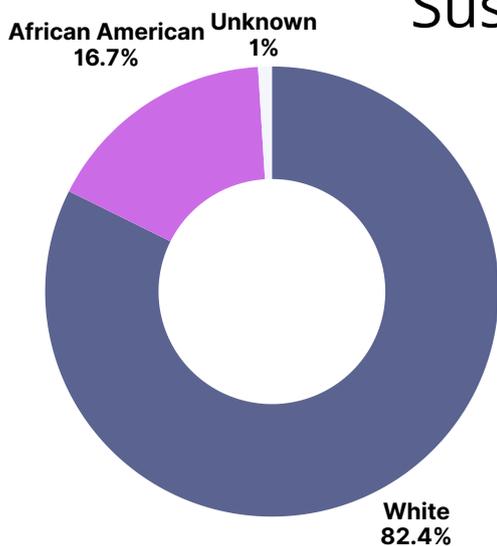

The purpose of the Lincoln Police Department monthly report is to compile data into one integrated report for review, allowing for a seamless flow of information for better decision making. Each month, internal departments provide monthly numbers and send them to the Administration Department; where it is organized, analyzed, packaged, approved, and delivered to the Chief of Police, City Mayor, City Council and the public.

May Crime Analysis

NIBRS captures information on victims, offenders, arrestees, property, and the location involved in crimes on each incident in great detail. This federally based program breaks down law enforcement data into three main categories: Crimes Against Persons, Property Crimes, and Active Community Policing (drug crimes).
