Purpose Statement

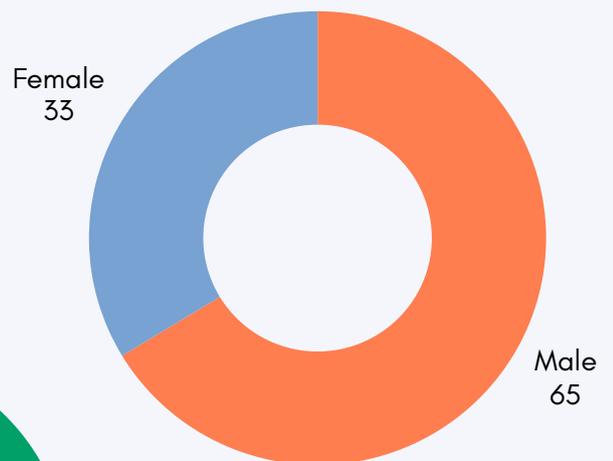

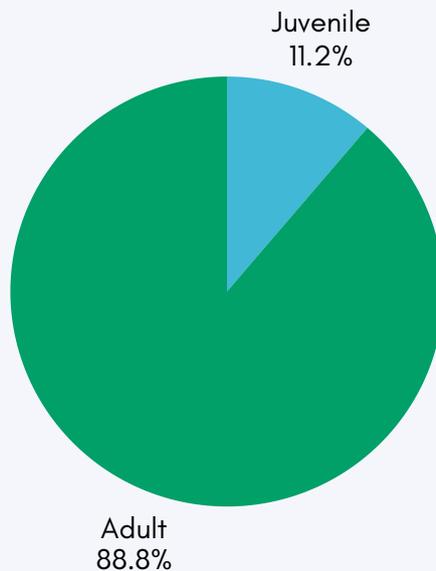

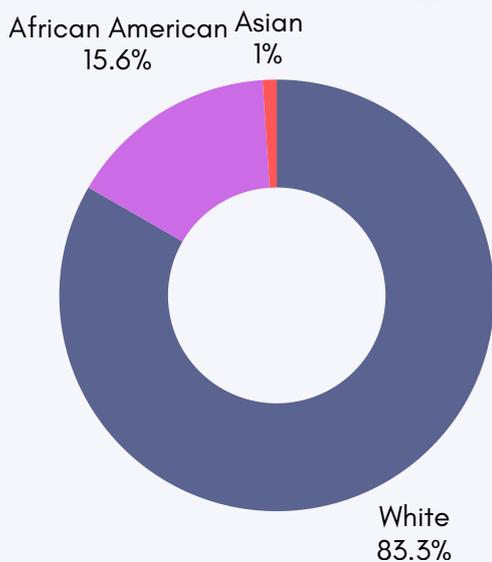

The purpose of the Lincoln Police Department monthly report is to compile data into one integrated report for review, allowing for a seamless flow of information for better decision making. Each month, internal departments provide monthly statistics and send them to the Administration Department; where it is organized, analyzed, packaged, approved, and delivered to the Chief of Police, City Mayor, City Council and the public.

October Crime Analysis

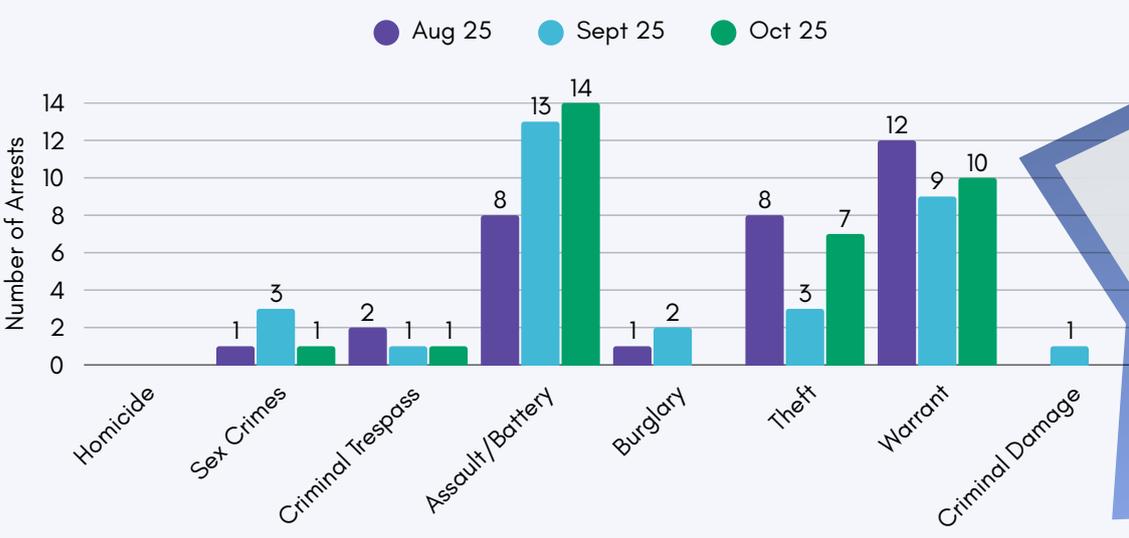

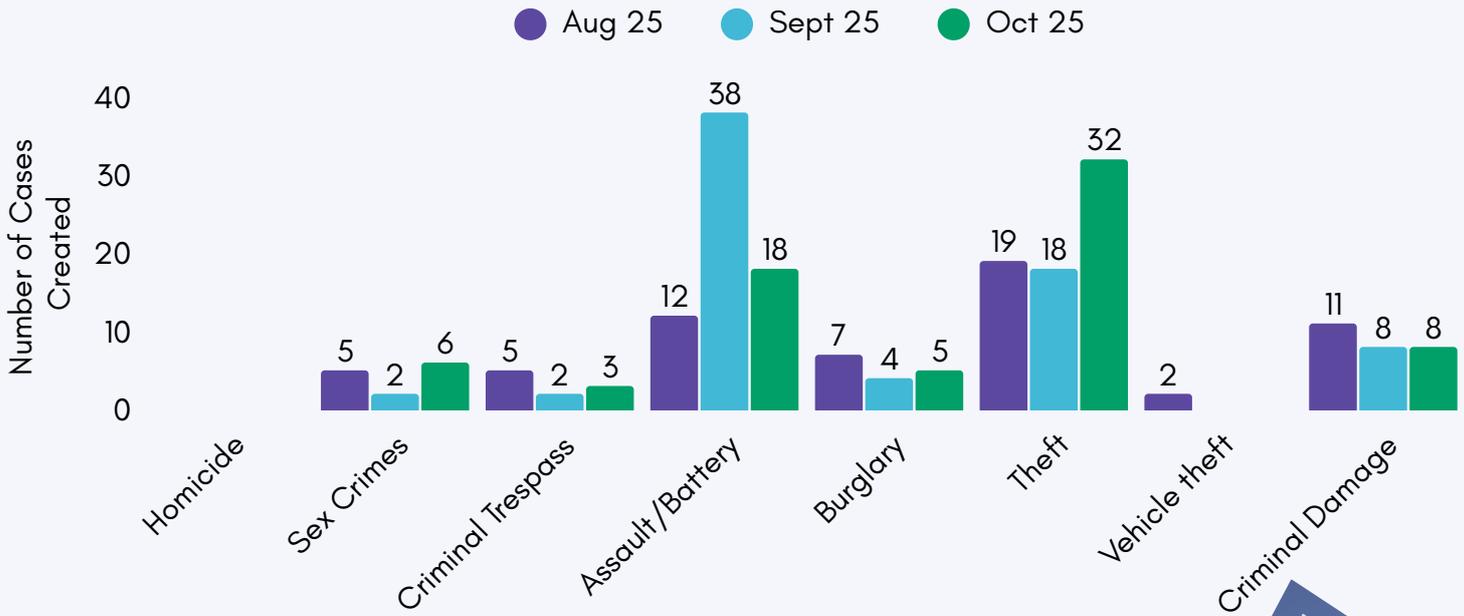

Crime Analysis is responsible for the analysis and distribution of crime activity data and the collection and preservation of crime intelligence information for the City of Lincoln. This data is compiled into the National Incident-Based Reporting System or NIBRS. NIBRS captures information on victims, offenders, arrestees, property, and the location involved in crimes on each incident in great detail. This federally based program breaks down law enforcement data into three main categories: Crimes Against Persons, Property Crimes, and Active Community Policing (drug crimes).

CRIMINAL INVESTIGATIONS

The Criminal Investigation Department (CID) has the responsibility to conduct investigations into criminal acts reported to the Lincoln Police Department. The primary goal of CID is to collect, preserve, and present evidence that conclusively leads to a successful arrest and prosecution of the criminal. CID also works with other department units toward the prevention of crime and other related activities in order to maintain the highest quality of life for our residents and visitors.

The Criminal Investigations Department has positions for 4 detectives; 2 general crimes detectives, 1 violent crimes detective and 1 drug task force inspector. CID currently has 2 detectives running investigations at this time, 1 drug task force inspector and 1 officer assigned to the Internet Crimes Against Children Task Force.

CID had 10 new investigations opened and diligently continued work on 6 investigations.

EVIDENCE

The Evidence Technician has the responsibility of taking custody and managing each piece of evidence that is acquired by the Lincoln Police Department. This includes, articles of evidence related to criminal offenses, found or recovered property and any items held for safekeeping. Chain of custody is the primary responsibility of the evidence technician. The tech tracks evidence from intake, lab transfer, court detail, release to owner, and disposition. All evidence in the Lincoln Police Department is tracked via the barcoding and records management system.
