# UniBlade Lift ID

The UniBlade ID Indicator provides a contemporary design for car identification, ideally suited to prestigious office and apartment buildings. The protruding UniBlade ID provides a highly visible illuminated legend to show the lift car identification, it is an ideal product for destination control lift systems. The design is clean and modern, with a range of colour options for the body such as natural, black and white. The side panels of the UniBlade ID are available in black or white, with a range of illumination options.
