## ACTIVITIES DISCLAIMER

If you are registering for more than one Park District activity, please ensure the activities you have selected don't overlap in times and dates, as you will be required to pay for both. **(For example golf and swimming sessions 1 & 2 overlap on Mondays.)**

Ensure you are registered for the correct Park District activity for your program location.  
Youth must arrive at the site 1 hour prior to activity start time in order to receive transportation to their Park District activities.

**Beginning Summer 2026, youth registered for these Fargo Parks District activities through BGCRRV will be assessed a \$90 transportation fee per youth, per activity.** This fee covers transportation from the Club location to the activity and back to the Club once the activity concludes.
