### **PROGRAM HIGHLIGHT – SNACK**

At the Boys & Girls Clubs, we recognize the important role we play in supporting healthy, nutritious lifestyles. As part of our afterschool program, we provide each Club member with a daily two-component snack. Our menus feature a rotating selection of foods from the five main food groups, including dairy, grains, and fruits. We also ensure youth have easy access to drinking water throughout our Club spaces. Providing healthy foods is essential for building resilient, successful youth and remains a central part of the Boys & Girls Clubs of the Red River Valley's mission.
