PROGRAM HIGHLIGHT – SAFETY DRILLS & SAFETY ASSESSMENTS:

Safety is a top priority at the Boys & Girls Clubs of the Red River Valley. To ensure a consistently safe environment, we conduct regular safety drills and assessments across all Club locations. Safety drills include three types: fire, tornado, and lockdown. Fire drills are conducted monthly, tornado drills are conducted monthly during peak season, and lockdown drills are conducted quarterly.

In addition to drills, internal safety assessments are completed at each Club location at least twice per year. We also participate in annual safety assessments conducted by external assessors from Boys & Girls Clubs of America to ensure compliance with current safety standards.

NEWS & UPCOMING EVENTS

The Boys & Girls Clubs of the Red River Valley plan a wide variety of field trips each summer to provide our youth with fun experiences. All BGC locations swim at Fargo Parks pools 2x a week and have an additional field trip each week. Some examples of our field trips are: Bonanzaville, Zoomobile with Red River Zoo, Courts Plus, West Acres Bowl, Plains Art Museum, MSUM Oceanarium and Planetarium and Skate City just to name a few!

HOW CAN WE HELP YOUR STUDENTS SUCCEED

Each day at BGC, students participate in Power Hour (reading, homework help, educational games). If you have specific ideas of what students could use extra practice on, please reach out. We can individualize targeted practices by student, grade, subject, etc.
