In February, we conducted our 2nd Safety Assessment of the school year. We complete Safety Assessments at least two times each year to ensure that we are continually making improvements to Safety at our Clubs. This assessment focuses on eight priority areas: Staff Practices; Facility Safety and Security; Emergency Preparedness and Evacuation Plans; Program Operations; Restroom Usage and Monitoring; Sports and Outdoor Recreation; Transportation; and Aquatics Safety.

HOW CAN WE HELP YOUR STUDENTS SUCCEED

Each day at BGC, students participate in Power Hour (reading, homework help, educational games). If you have specific ideas of what students could use extra practice on, please reach out. We can individualize targeted practices by student, grade, subject, etc.
