

Dear Parents/Carers,

Every year, the Friends of Ashill School run 'Buy a Gift'. On Thursday 4th December we will have a wide range of presents, pre-wrapped, ranging from 50p to £2.50, ideal for children to buy for their parents, grandparents and siblings - even the family pet!

Please complete and return this form between Monday 17th November – Friday 21st November, we can then help the children write their Christmas labels to attach to the presents.

The children will then need to bring in an envelope with money inside and on the outside of the envelope; they need to have their name. Ideally, if you can bring this in from 1st December.

All the presents are wrapped and the children will simply apply the labels (with adult support) and bring home their presents at the end of the day. Children can buy a maximum of eight presents.

Thanks Friends of Ashill Primary
