Open Days

Is your child due to start school in September 2027?

"The school's vision to be an inclusive school family, where every child is nurtured to grow and thrive, is being realised. Pupils' emotional well-being is a priority. Staff lead by example."

"All stakeholders value the small school, family ethos and are invested in the school and the community. Parents are very positive about the school. They cannot speak highly enough of the support and care their children receive."

We'd love you to come to one of our open days where you will have the opportunity to chat to staff and governors, whilst looking around our school.

With a smaller than average class in Reception, we offer a fantastic start to your child's school life.

We have two open sessions for you to visit; no need to book, just come along on the day.

We look forward to seeing you.
