Dear Parents/Carers

Invitation to a crumble making workshop – 6th October 2026 at 2pm

Hedgehog Class are currently studying a unit within their **Design and Technology** learning called, **‘Cooking and Nutrition: Eating Seasonally.’** Part of this unit involves the children developing their peeling and cutting skills – and **we’d like to invite you into school to help work with your child on these skills**, with the end aim of making a crumble to take home, which will include the fruit they have peeled and chopped. Please don’t worry if you’re not a cook at home, it’s more about being with your child and having this experience together, (there will be other school staff adults on hand to support as well.)

We also would like to make this a ‘families of different generations’ event, so if your child’s grandparent(s) (or another older person who is important to them) would like to also join you, they would be more than welcome – it would be lovely to see them coming into school.

For quick reference, the details are:

Where:	School Hall (please come through the school office.)
When:	Tuesday 6 th October 2026 at 2pm – 3pm
Who:	Please max. 3 people per child, (i.e. one parent/carer and two grandparents or two parents/carers and one grandparent,) this is to keep the numbers in the hall to safe levels.

Before this event, we are looking to collate a collection of favourite crumble recipes to put these into a booklet which will be made available for you to take home at the workshop – we will say which child’s family donated each recipe. Handwritten and old-fashioned recipes from generations passed down would be particularly special. If you can send a scan or photo of these to hedgehogs@ashill.norfolk.sch.uk, we can include them. We can copy these at school if needed, so please ask.

Please complete the below slip to advise of your attendance at the workshop **by Friday 2nd October**. Please do ask us if you have any questions.

Yours sincerely

Mrs C Filby - Hedgehog Class Teacher
