

Summary Committee Report from the Committee Meeting held on Tuesday 8th September 2026.

The Committee met on 8th September 2026 at High Legh Village Hall.

Treasurer's Report:

- The Centre finances continue to run as normal.

Rally Programme:

- The Centre has had a busy year of rallies, with a number already fully booked. There are still several rallies remaining in the 2026 programme, although some spaces are available and a small number of rallies have been cancelled.
- Planning for 2027 is well underway, with a full programme being developed. However, several rallies still require Rally Officers. The Committee discussed ways of encouraging more members, particularly younger members and families, to volunteer.
- The Committee agreed a new arrangement to encourage members to run rallies. From 2027, there will be a £10 contribution towards the rally fee per Rally officer, to a maximum of £20 per rally, per rally that they run. This will replace the Rally Officers "gift". This arrangement will be reviewed for future years. This will be announced at the Rally Officers meeting.
- Membership checks for Rally Officers continue to ensure compliance with Centre requirements.
- Following a review of Centre finances and the success of the current arrangements, the Committee agreed to continue the Centre contribution holiday for the 2027 rally programme. This decision will be reviewed again when planning for the 2028 season begins.
- With the stepping down of the current Bonfire Rally Officers, it was confirmed that the 2027 Bonfire Rally would be a committee run event.

Officers Reports:

- West Central Division (WCD) Shropshire have confirmed their first AGM on 10th October 2026.
- More ralliers are sought to provide rally reports please, this helps promote our rallies.
- The current Webmaster is stepping down, so options for maintaining and developing the Centre website are being considered. This includes seeking a volunteer from the membership as well as investigating external support.
- Several sports events have been held successfully so far this season. The next event will take place at the Four Winds Rally over August BH weekend. The final sports of the season will take place at the Bonfire rally, where the year-end trophies will be awarded.

Correspondence:

All correspondence received was discussed and responded to.

Next Meeting: Saturday 12th September 2026 at Whitley Village Hall - post AGM
